Make This 25c Test

Physic the bladder easily. Drive out impurities and excessive acids which cause irritation that results in leg pains, backache, burning and getting up nights. BU-KETS, the bladder physic, containing buchu, juniper oil, etc., works on the bladder pleasantly and effectively, similar to castor oil on the bowels. Get a 25c box (5 grain size) from your druggist. After four days, if not relieved of getting up nights go back and get your money. You are bound to feel better after this cleansing and you get your regular sleep. Sold by Nyssa Pharmacy.
