MILLIONS ASSURED IRRIGATION WORKS, BANKS PLANS AHEAD

ENGINEER BANKS LOOKS FOR LARGE SUM FOR OWYHEE THIS SUMMER; MORGAN HEARS DRAINAGE DISTRICT REFINANCE PLAN.

Malheur county will benefit to the extent of several million dollars because of the passage of the farm bill, which not only carries the amendment providing a \$5,000,000 loan for work on the Owyhee and Vale projects this year, but includes \$50,000,000 for refinancing drainage and old irrigation districts. The outlook is very bright for Malheur county.

"The President has signed the loan for reclamation and we rejoice with Malheur county. You are assured great progress," said a message from Congressman Walter Pierce.

Frank T. Morgan, delegate of the Kingman Colony and other drainage districts, attended the meeting called in Portland yesterday by State Engineer Charles Stricklin when the method for securing reclamation loans was discussed. "The reclamation plan will prove of great help to many of our districts who built drainage works under high price levels," said Morgan. "They will have the chance to reduce high interest through refinancing and start anew."

Banks Awaits Money
Confidence in regard to work on the Owyhee was expressed yesterday by Engineer F. A. Banks. "If we secure our \$1,577,000 appropriation for this year, it will enable us to complete the main canal to the upper end of the Ontario-Nyssa canal," Mr. Banks stated. He explained that there is considerable structure work for an early contract. Works must be built at the outlet of Tunnel No. 1 for the division of water into Tunnel No. 5. Three siphons known as Black Willow, Snively and the larger Owyhee river siphon will be built.

"We are in shape to do a great amount of work—if we receive sufficient funds," said Banks. "Final location of the main canal has been completed from the southern end of the Gem unit to the Malheur river and half way across Dead Ox Flat."

Mr. Banks advised that in all probability the first contract let would be the canal work between Owyhee river and Mitchell butte.

Flockmasters Smile When Wool Prices Soar to New High; Other Prices Mount

Following sale of the Idaho wool clip in Portland, at prices ranging from 17 to 27 and 3-8ths cents a pound, Ernest Leacy of Ironside sold his clip of 15,000 pounds at 22 cents, Jesse B. Adrian, local dealer, reported today. This is about 14 cents over the average price of 8 cents paid a year ago.

Mr. Adrian reported that the majority of Malheur county sheepmen will consign their wool to various brokers under the supervision of the regional agricultural credit corporation. He added that they are very hopeful of a good wool market this spring, in view of the continued advance during recent weeks, and feel much like the dying man who regains good health. Many hopeful words have been heard in Nyssa this week.

Along with the sensational advance in the price of wool came a similar rise in the price of beef and hogs in Portland.

DRIVER'S EXAMS HERE MAY 25TH

OLD LICENSES NEED NOT BE RENEWED UNTIL SEPTEMBER BUT FEE GOES TO \$1 AFTER JUNE 9.

The most popular book in Nyssa at present seems to be the little one issued by the state, the Motorist's Manual. It explains all secrets of good driving. C. M. Bentley will return to Nyssa Thursday, May 25, to give examinations on the booklet and those who have perused it thoroughly will be granted a certificate to drive.

Until June 9, drivers licenses or renewals may be secured for 50 cents. After that date the state will charge \$1. However, drivers will not be required to have the new type licenses until September 1. Then all cards issued between July 1929 and July 1931 must be renewed. Examination will not be required if the applicant has been previously licensed in Oregon and is normal physically and mentally, under the age of 70, and has not been involved in serious violations or accidents.

The new half-year auto license of \$5 is due prior to July 1. Upon the expiration of that license, the fee will be \$5 for the full year beginning January 1934.

NYSSA SCORES IN 11TH FRAME TO WIN MARATHON

PRICE SINGLES TO SCORE BURTON AND WIN AIRTIGHT CLASH; ONTARIO AND BOISE WIN OPENERS.

Ending what fans called the best game in the opener of the Idaho-Oregon league, Nyssa blanked Nampa here Sunday taking the 11-inning battle 1 to 0. Nampa came dangerously near the home plate on two occasions but was repulsed by airtight pitching and field support.

Fans were on their toes in the eleventh when Schweizer batted for Jim McEwen and clouted a single. He was out at second on fielder's choice with Burton safe on first. Price's single knocked in the winning score.

Burton made a good showing on the mound, pitching 10 innings, with Rambaud relieving him for two. Kelly was credited with two strikeouts. John Young caught for Nyssa. Mood for Nampa. Superior fielding was a feature.

SHERIFF BALKS JAIL BREAKERS

SHERIFF GLENN INTERFERES WITH PLANS OF FOUR PRISONERS WITH RIGHT TO JAW.

Tom Mix had nothing on Sheriff C. W. Glenn last Thursday evening when the officer overpowered four prisoners who yearned for the wide open spaces and prevented their escape from the county jail.

It seemed that the four, Byron Field, Lloyd McLain and Cecil Bogart, held for burglary, and Jack Vershella, sentenced to one year in the penitentiary for theft of an automobile, had the escape well planned. When Glenn went to the jail about 9 p. m. to lock the prisoners in their cells for the night, the four men rushed him. One of them threw salt and pepper in his eyes. Another swung a club at his head. Glenn floored Vershella with a blow on the jaw. The other three grabbed the key ring but failed to find the key to the outside door which Glenn had placed in his pocket.

"When the prisoners found they could not unlock the door they came back to me saying, 'we'll give up Charley,'" said Glenn. He returned them to their cells.

MEN BEGIN WORK ON CITY JOBS, ALSO IN FOREST

CEMETERY ROAD IS BEING IMPROVED AT NYSSA; VALE BUILDS NEW PARK; ONTARIO'S FIRST CREW STRIKES.

Men are going to work in Nyssa, Ontario and Vale—not on a large scale but they are the start of what may be an army of workers if the public works bill is added to the unemployment relief bill of the Roosevelt administration.

Malheur county's quota of relief money for May has been received by the state treasurer and it is being spent on worthwhile project under the supervision of the county relief committee headed by R. D. Lytle of Vale. In Nyssa, from a dozen to two dozen men are doing hand work daily. They are repairing city streets, the cemetery road, working on cemetery clean-up and improving the civic club tennis court. In Vale, the city purchased several lots from the county at a cost of \$5 and is improving the premises for a park.

In spite of the low wage of \$1.50 per day paid on the relief projects, men in Vale and Nyssa went to work willingly. In Ontario, the first crew delegated objected to \$1.50 and "struck" for \$2. Another crew was summoned so no trouble has been experienced since.

The committee, in deciding upon the \$1.50 wage, stated that no attempt at standard wage setting was intended, that the wage was set to provide work for as many unemployed as possible under the quota received.

At present, men who registered in the winter for relief work are being selected. If funds are enlarged, work will expand accordingly.

"We are sending some fine boys to the forest camp near Austin for this county," said Mr. Lytle. In Nyssa for the committee Monday, Mrs. Dick Tensen reported that the three who made application from here, Bob Kaylor, Hubert Leuk and Carlton Irwin, had been accepted. Other applications from Nyssa have been made since as the county's quota is 24. In addition some experienced woodsmen from the Ironside section will accompany the county quota.

MAYOR PROCLAIMS ANNUAL POPPY DAY

At the request of the Nyssa Auxiliary, Mayor Howard J. Larsen has proclaimed Saturday, May 27, Poppy Day. On this day citizens will wear the little red paper poppy in memory of the men who gave their lives in the World War and in tribute to other thousands who did not die but returned with shattered bodies to face years of suffering.

The poppies, which the Nyssa Auxiliary will sell, have been shaped by disabled veterans working in government hospitals where more than 30,000 men are still under treatment. Proceeds go to these men and their families.

The Poppy sale committee is also sponsoring a joint program of the Auxiliary and Legion tonight (Thursday) at the Parish hall when a Poppy tableaux will be presented by Girl and Boy Scouts. Mrs. A. V. Cook, Mrs. C. L. McCoy and Mrs. Eddie Powell have charge. The refreshments committee Mrs. C. A. Abbott, Mrs. Wesley J. Browne and Mrs. Sidney Burbridge, will serve lunch.

Today the Auxiliary, with Mrs. Don Graham, Mrs. Larsen and Mrs. Chas. M. Paradis in charge, is giving a luncheon for war mothers. Fourteen have been invited. A program of music and readings has been arranged.

Mrs. Abbott reports that Keith Oris, Ethel Mull and Evelyn Zittercob made the prize winning poppy poster for Arcadia school. The 8th grade entry won honorable mention.

NYSSA VISITORS SEE YELLOW GOLD AT SILLS DIGGINGS

Two Nyssa parties arrived at the Farnham Sills gold mine near John Day Sunday evening in time to watch the crew wash the gold from the sand in the sluice boxes. "We gathered around the boxes and helped the crew find the yellow metal," said Ed. Wilson, "and there was lots of it." The Nyssa delegation also arrived in time to eat at Tom Butler's cook shack.

Operators of the mine, Bud Lackey, Oca Storts, Butler and Sills, told their friends that they are finding pay dirt in promising quantities. Sills is digging on a larger scale than some miners as he has a dragline from the Owyhee project at work. Wilson said it was quite a sight working on a ridge high above the camp.

Mr. and Mrs. Wilson accompanied Mr. and Mrs. Dick Adams and Mrs. Sills to the camp. Dr. and Mrs. E. D. Norcott were accompanied by Arthur H. Boydell and Mrs. H. Snyder, sister of Mrs. Sills.

BULLDOGS AWAIT TITLE WINNER OF THREE COUNTIES

NYSSA BOYS WIN SNAKE RIVER TROPHY WITH SHUT OUT OVER FRUITLAND FRIDAY, McEWEN HURLS FOR JOHNSTON.

Accepting the challenge of the hard-hitting and undefeated Imbler nine, high school champions of Baker, Union and Wallowa counties, Nyssa batsmen are ready for the opener of a three-game series at the Nyssa ball park Friday at 1:30 o'clock. The series will be a play-off for the laurels of eastern Oregon as Nyssa is the pennant winner of the lower Snake river valley league and holds the Malheur county title.

The opening game of the tournament at 1:30 Friday will be followed by a twilight game at 6:15 p. m. that evening. The final game is slated for Saturday at 2 p. m.

Imbler's team has won the championship of the La Grande district for the past five years. Her school is one of the smallest in the district but that proved no handicap for the boys blanked La Grande 16 to 0 recently and have defeated all comers. The coach, Jim King, is a brother of Coach Jack King at Vale, member of the Nyssa ball club.

Coach John Young and Supt. Leo D. Hollenberg are arranging plans for the tournament this week end. They expect a good crowd as posters have been distributed in all nearby towns. Admission price is low, 25 cent per game or 50 cents for the series for adults, 10 and 25c for students.

SENIORS PLAN PRINCESS PLAY

The graduating class of Nyssa high school will present the last play of the year at the Liberty theatre next Wednesday night, May 24. Supt. Hollenberg is director.

The cast consists of Lottie Boren, Princess Dellatorre; Bill Boor, Signor Maroni; Carlotta Irwin, the old Princess and Aunt Meta; Hazel Sullivan, Miss Boyd; Bertha Williams, Mrs. Boyd; Clayton Wall, Joe Boyd; Lois Schweizer, Mrs. Purrington; Dorothy Austin, Mrs. Seaver; Ruby Boyd, Evelyn Earp; Laurence Fisher, Phil Lennox; Dwight Johnston, Milton D'Arcy; Charlena Crawford, Josephine, the French maid and Jennie; and Emma Glascock, Ada.

The play reveals that the girl Ellen from Millertown, married an Italian prince and became a legend in the village. She had gone away in her early teen and the scene opens as the village prepares for her return home eighteen years later.

The truth is that the prince has gone through her estate and she has served boarders in her palace to secure funds for the visit home. Dressed simply, she is believed to be the seamstress upon her arrival. Humiliated, she permits the deception to go on and is the center of a humorous and pathetic situation. She is even sent away under a cloud but in the end contrives to come back in a blaze of borrowed glory, sufficient to give everyone an hour of romance.
