MORE STUDY WILL BE GIVEN VETS ECONOMY BILL

As a result of conferences between the President, the National Commander of the American Legion, Louis Johnson, and the director of the budget, the following conclusions have been reached:

As a result of the application of the veterans' regulations, it now seems that the cut in compensation of service-connected world war veterans with specific injuries has been deeper than was originally intended. The regulation and schedules in this respect will therefore be reviewed so as to effect more equitable levels of payment. Careful study also will be made of the other regulations and their effects.

By reason of the burden incident to rating and in order that undue hardship will not be imposed upon veterans in their application for adjudication of their cases, regional offices of the Veterans' Administration will not be closed as has been reported, except where it has been clearly demonstrated that regional facilities are not necessary.

It is not contemplated that Government hospitals will be closed pending a careful, studious survey of the entire hospital situation. This, of necessity, will require considerable time.

These conclusions are in line with the President's original statements that the regulations and schedules would be drafted so as to effect the most humane possible treatment of veterans truly disabled in war service.

VALLEY VIEW ENJOYS BIG SCHOOL PICNIC

Valley View—About 200 people enjoyed the annual picnic celebrating the close of school at Valley View Friday. There was baseball galore in the morning with girls, boys, mothers and dads taking part. In the leading game, but not the funniest, Cairo nosed out Valley View 8 to 9 ending a tie. Lunch was served in the basement of the school.

A program was given in the afternoon. Little folks sang songs and a pretty feature was a flower drill with Mrs. C. Christensen at the piano. Upper grades gave a play, "Examination Day."

Walter Marshall and Mrs. Christensen, teachers at Valley View, have been elected for the coming year.

Tonight Valley View will take part in commencement for eighth grade graduates of White Settlement, Lincoln, Valley View, Cairo and Arcadia at Boulevard hall.

School Notes

WE'RE PROUD OF OUR TEAM

Nyssa high school feels very proud of its baseball team, which last week won the championship of eastern Oregon. The outlook for winning was not so bright after the first game but we came back in the evening with the old "bulldog" spirit. We won by a close margin and an easier win in the final game clinched the title. Our boys have the spirit. They're a fine team, the best in eastern Oregon, and we are proud of each and all of them. We also appreciate the splendid support of fans, young and old. In every way the tournament was a happy close to school sports.

SPEED DEMONS

Miss Clarice Johnson has announced the winners of the highest speed records in typing classes for the entire year. Liver Sufferers Amazed At Results Obtained From Remarkable New Treatment

Thousands Reporting Sargon Soft Mass Pills Have Brought Them Lasting Relief From Constipation—Sour Stomach—Sick Headaches—Gas—Bad Breath—Coated Tongue—Nervousness and Dizzy Spells After Everything Else Had Failed.

If Your Liver Is Not Performing Its Proper Functions—Sickness—Suffering and Ill Health Are the Inevitable Result.

Science Has Proved That Salts, Calomel, Mineral Waters, Oils, Laxative Pills, Herb Teas or Extracts Have No Effect Whatever on the Liver or Its Production of Bile.

Unless you have tried Sargon Soft Mass Pills you can have no idea of the effects produced by this natural cleansing of your liver and bowels. It makes you feel years younger, stronger, healthier and happier. It brings back life and color to faded eyes and cheeks, restores the appetite and

sound digestion—gives you a new outlook on life itself.

Bile is nature's laxative and your stomach and bowels require at least one quart of fresh bile every day to keep them clean, pure, free from fermentation, gas and disease germs.

When your liver becomes sluggish the bile stagnates and stops flowing freely. The contents of your bowels become the breeding place for germs and poisons; your food does not digest—it just ferments and decays in the bowels. The blood absorbs these poisons and you suffer from constipation, gas, sick headaches, biliousness, nervousness and sour stomach.

Sargon Soft Mass Pills remove the cause of this condition in nature's way. They are not like any other medicine you have ever taken. They are so gentle, thorough and natural in their action there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all you gradually reduce the dose until you no longer require a laxative of any kind.

Insist on genuine Sargon Soft Mass Pills. Don't be misled. There are only two generally recognized substances which will actually stimulate a torpid or sluggish liver to cleanse and purify itself by increasing its production of bile. Sargon Soft Mass Pills contain both of these substances and no other advertised medicine on the American market today does contain them.

Only 50c for a full 30-day treatment. At your druggist, or write G. F. Williams, Inc., Atlanta, Ga.—(adv.)
