FOR MEMORIAL DAY

Last week a young man, community-minded far beyond his years, directed some needed clean-up at the city cemetery in anticipation of Memorial Day. They removed hanging fences, they cleared out brush, they improved the cemetery road.

NEW PATHS

Whatever may be the opinion of the correctness of the course taken by the executive and legislative branches of the Government in the last few weeks, the destiny of American business and the welfare of the American people are now in the hands of President Roosevelt.

Around the Country

Representative Lloyd of Tacoma, introduced a resolution in the house Saturday restoring wealth to one million dollars. He proposed that during the summer with many of them having been acquired during the war.

BILL HANLEY VS. I-O-N

Just why does Bill Hanley of Burns use his time and influence to hinder and delay the battle which is being tried on to secure the building of the I-O-N highway from Nyssa to McDermitt? The road is entirely off his range but he plotted an Oregonian party over it last month.

COMMISSION WILL MAKE HUNTING LAWS

At the last session of the legislature the game code was amended to permit the game commission to open or close seasons, increase or reduce bag limits and make other regulations. July 10, the commission will hold a meeting for the purpose of making such regulations.

MCFARLANES HAVE PET COYOTE PUP

Among treasured pets in the city is a young coyote pup owned by Russell McFarlanes. It is very tame and will respond to the name. Dogs visit the pup on the range that knows the men-ace of the coyote in his natural haunts.

KILLED IN BATTLE

A battle waged Wednesday night in the Snake river valley. Therein lies the major reason the I-O-N has the support of Idaho cities of this section, we believe.

COMMENTS BY CLARK WOOD

France may yet come across, but she's cross about coming. Exclusive satisfaction is the kind derived by the friend who tells us something for our own good.

BASEBALL CLUB GETS PRIZES FOR PLAYS

Nyssa baseball club has lined up a long list of awards for various teams. The list of awards has been acquired during the summer with many of them having been acquired during the war.

PORTLAND CHAMBER GIVES AID

The Portland chamber of commerce has pledged its backing in the request for completion of the irrigation program in the west. An effort will be made to induce President Roosevelt to incorporate \$50,000,000 in his public works program for reclamation. The amount of \$50,000,000 is about \$2,000,000 more than the amount authorized.
