FREE AIR

Howdy Folks: A customer gave us a shock, the other day. He asked us why we never advertised.

Imagine our surprise, as our ad has run more or less regularly.

When we told her that we did advertise and showed her an ad to prove it, she said, "Yes, but it looks so much like all the others. Why don't you doll it up so that it will be easy to catch?"

Boy, that set us to thinking. Maybe she was right. So here goes for a brand new idea.

From now on we will run a column each week in this paper.

You know, like Will Rogers and Walter Winchell. Of course we don't expect to be a Rogers or a Winchell, but we do hope to do well enough that you folks will be interested in following our little smiles and sayings each week.

So watch for FREE AIR in this space each week. We may "kid" some of you once in a while, but that is a sure sign that we like you so wait for FREE AIR to get you.
