

ROME FRIENDS GIVE POLLOCKS FAREWELL

Rome—(Special)—Mr. and Mrs. C. L. Pollock and family of Rome were greatly surprised at their home last Sunday evening when 80 friends gathered for a farewell party. Stunts, music and visiting were enjoyed.

The Pollocks moved to the Duncan farm at Rome six years ago. Mr. Pollock and sons have operated a store in connection with their farming while

Mrs. Pollock has been postmistress at the Rome office. They recently purchased a stock ranch ten miles from Folly Farm which was their former home and where their son Tom now has the postoffice and store.

They will leave for their new home around October 1st. While residents of both Rome and Arook greatly regret the loss of this esteemed family, they wish them Godspeed and know their old friends will be glad to see them return.

KEN MAYNARD STARS

IN "FIDDLIN' BUCKAROO"

"The Fiddlin' Buckaroo." That's just what Ken Maynard is in his latest Universal feature booked for the Nyssa theatre Sunday-Monday. For in it, Ken, in addition to performing his cowboy stunts with grace and agility, plays the violin in a great many sequences of the story. This may surprise many of his fans, but when they learn that Maynard performed many years ago as a musician on the famous Mississippi River-boat, "Cotton Blossom," the showboat made famous in Edna Ferber's celebrated novel, they will not marvel at his facility with the fiddle. In the picture, Ken and his film sweetheart, portrayed by Gloria Shea, former Ziegfeld beauty, sing and play such old favorites as "My Pretty Quadroon," "Chisholm Trail" and "Oh, Suzanna."

JORDAN SHEEPMEN MARKET FAT LAMBS

Sheaville—Jordan Valley trucks have been equipped with double deck sheep racks and they are hauling lambs to market.

People of the valley welcome the new bus line known as the Royal Coach Transit company which is making daily runs from Caldwell to Winnemucca. They find the road good as far as Jordan Valley but it is very poor from Jordan to McDermitt.

After a touch of fall when the mercury dropped to 25, Jordan Valley country is again enjoying summer weather.

School is under way on upper Cow Creek with Miss Helen Anderson teaching and in the Sheaville district with Miss Vivian Kennedy as teacher.

The Ditton family enjoyed a picnic at the Massey sheep camp in the mountains recently.

Chas. McIntyre and niece Etta Masonholder were Boise visitors Saturday.

Mrs. Haylett, Maxine and Fred Haylett were business visitors at Arook Wednesday, and dinner guests at the John Baltzer home. In the afternoon they drove to Rome.

Mrs. Christine Stanford has been visiting relatives at Nampa.

Frank Hains and Frank, Jr., will thresh at the Hains ranch.

A party of young folks made a trip to Owyhee Dam Sunday. They were Misses Mary and Bety Jaca of McDermitt, Buby and Elaine Urquiaga, Connie Laquerica, Maxine Haylett, Ed. Urquiaga, Jess Uturraspe and Rufus Laquerica.

N. R. Vanaller has been quite sick. His grandson Ray Hedburg of Nampa came to stay with him.

Miss Maxine Haylett is spending the week at the home of her brother Daniel at Homedale and helping to care for the twin babies.

The price of innocence, if ignorance of the facts of life is considered a requisite, is very costly according to the theme of the Columbia picture "What Price Innocence?" coming to the Nyssa Theatre Wednesday-Thursday. A poignant

Science says Today use a LIQUID Laxative

If you want to GET RID of Constipation worries—

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys.

A doctor will tell you that the unwise choice of laxatives is a common cause of chronic constipation.

Fortunately, the public is being returning to the use of laxatives in liquid form.

A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later.

In buying any laxative, always read the label. Not the claims, but the contents. If it contains one doubtful drug, don't take it.

Dr. Caldwell's Syrup Pepsin is a prescriptive preparation in which there are no mineral drugs. Its ingredients are on the label. By using it, you avoid danger of bowel strain. You can keep the bowels regular, and comfortable; you can make constipated spells as rare as colds.

The liquid test:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics:

First. Select a good liquid laxative. 2. Take the dose you find is suited to your system. 3. Gradually reduce the dose until bowels are moving regularly without any need of stimulation.

Syrup pepsin has the highest standing among liquid laxatives, and is the one generally used. It contains senna, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.
