LET US KNOW

Ranchers and Stockmen:---

Let us know what you have to sell, or what you want to buy from some other rancher or stockman

Nearly every day some stockman seeks information as to where he can buy hay or pasture, and often too, some rancher asks us where he can sell his hay. We would like to be of service to our customers and be able to quickly supply them the information they desire and know that it was exact. There is only a waste of time to send a customer to a stockman who wants 500 tons of hay to a rancher who has only 50 tons. So we have prepared a questionnaire on which to list what you have to sell, or what you want to buy. We are gathering this information merely that we may thus be of assistance to the people of this section. There is no charge—we merely pass the information along when requested.

If You Have Not Received One of the Information Blanks. Ask for one.

If you want to know who has some stock, hay or pasture for sale, or if you want to know who wants to buy stock, hay or pasture
