## EXAMS ARE OVER

Normalcy returned to the high school after the close of examinations. They are over but not forgotten as papers are just being returned. Here's a few tips for the next:

Don't hand in a paper that is not worth the teacher's time to correct. If your grades are good, keep them that way. If they are sinking, work harder.

Don't forget that your parents will be proud of a good report card.—F. B. Senior rings and pins have been ordered through Wyckoff Jewelry of Ontario. H. W.
