

Auxiliary Gains Four Members At Cabaret Party

The Nyssa Legion Auxiliary has four new members, Mrs. Earl Harman, Mrs. Edward Blair, Mrs. Douglas McDonald and Mrs. Margaret Pashley, who were installed with effective ceremony conducted by Mrs. C. L. McCoy, president, at the regular meeting last Thursday evening at the Parish hall. Legionnaires sponsored an unusual form of entertainment for the joint social hour following. Supper was served cabaret style, with Commander Leo Hollenberg and Private Sid Burbridge doing kitchen police. The Auxiliary quartet consisting of Mrs. Howard Larsen, Mrs. Hollenberg, Mrs. Don Graham and Mrs. McCoy in waitress costume, served. A reading by Mrs. F. W. Osterkamp, Chinese song by Mrs. McCoy, accordion selections by Archie Howell and numbers by the quartet were given between courses. A very pleasant evening is reported.

A TRIO OF ENCHANTING PERFUMES

to keep pace with the racing hours!

No one dress is correct for all occasions. Not is any one fragrance!... The clever woman of today chooses her perfumes as she chooses her costumes—to express the spirit of the hour!

It is for her that the makers of OUTDOOR GIRL have created three enchanting new odors, scientifically blended to match the three major moods of the day.

"Dawn" is the scent-harmony of early morning... a veritable bouquet of Spring itself, coaxed from the rarest flowers. "Noon" complements the spirit of sports... a blithe fragrance, slightly more pronounced in odor. "Night" breathes the magic and mystery of star-studded skies... a seductive extract in perfect key with the feminine mood of romance.

Dawn, Noon and Night are available in three different sizes at leading drug, department and chain stores. If your dealer cannot supply you with all three of the new OUTDOOR GIRL odors, mail the coupon.

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.
