*Now! Ease Sore Throat
Instantly!*

Remember: Only Medicine Helps Sore Throat

Modern medical science now throws an entirely new light on sore throat. A way that eases the pain, rawness and irritation in as little as two or three minutes!

It requires medicine—like BAYER ASPIRIN—to do these things! That is why throat specialists throughout America are prescribing this BAYER gargle in place of old-time ways.

Be careful, however, that you get

real BAYER Aspirin for this purpose. For they dissolve completely enough to gargle without leaving irritating particles.
