EXAMINATIONS FOR TRUST INSTITUTIONS

New Move by Federal Banking Authorities Welcomed by Banks and Trust Companies, Says Bankers' Organization

FEDERAL examination of trust departments is the latest development in banking supervision and trust companies and banks operating trust departments are welcoming this development because it fills a long-felt want, it is stated by the Trust Division of the American Bankers Association. Despite the growing importance of American trust business in recent years examining officials have never given to trust departments the attention paid to commercial banking departments, this authority points out. Now the Federal Reserve System, in conjunction with the Comptroller of the Currency, has undertaken to bring the examination of trust departments up to the level of commercial bank examinations, it says.

Experts in trust work are being employed by the various Federal Reserve Banks. These experts will head the special staffs of trust examiners in the twelve Federal Reserve Districts. Special staffs are already at work in some of the Reserve Districts, including Boston, Atlanta, Richmond and Chicago. The Federal Reserve will examine the trust departments of state-chartered members of the Reserve System.

Uniform Supervision

Meanwhile, the Comptroller of the Currency has built up over the past two years a staff of special examiners for the trust departments of national banks. All national banks are members of the Federal Reserve System. Since nearly all state-chartered trust institutions are members of the Reserve System the new plan will bring about what amounts to Federal examination for the trust business.

State examining authorities probably will follow Federal supervisory policies to a considerable extent. Hence, coordination of the procedure of the national banking system and the Federal Reserve System is expected to result in a uniform system of examinations for trust departments in all banks. This in turn should produce considerable standardization in the operation of trust departments, the division declares.

MISS JOHNSON WED AT PRETTY HOME CEREMONY

At an improvised altar in the living room of the Clarence O. Johnson country home at Dayton, Wn., Miss Clarice Johnson, only daughter of Mr. and Mrs. Johnson, became the bride of Richard A. Young, son of Mr. and Mrs. L. A. Young of Madras Tuesday.

Pastel colors formed the foundation for all the decorations. Greenery and pink streamers formed the background for the altar which was composed of pillars of pink and white. Elaborate baskets of snapdragons and delphiniums flanked the pillars and formed a centerpiece before the shaded windows.

The bride was gowned in petal-pink mousline de sole made in the newest streamline fashion with a flowing train, and carried a shower bouquet of Cecil Bruner roses, gardenias and forget-me-nots.

Her only attendant was Miss Margaret Young, sister of the groom, who wore pale blue organza and carried an arm bouquet of pink sweet peas and white gladioli.

The bride's mother wore an afternoon gown of blue and white crepe, and a shoulder corsage of sweet peas. Mr. Young was attended by Omer Adkinson, fraternity brother, formerly of Nyssa.

Preceding the ceremony Mrs. Leslie Zimmerman sang "Oh Promise Me," and "I Love You Truly," accompanied by Mrs. Wayne Frye who also played the wedding music from "The Bridal Chorus" from Lohengrin by Wagner, and Mendelssohn's Wedding march.

The vows were read by Rev. Leslie Zimmerman of the First Christian church. The elegant ring ceremony was used, and the bride was given in marriage by her father.

Mr. Adkinson of Pendleton, Ore., Miss Margaret Young of Nyssa, Oregon, Mr. and Mrs. James Patterson of Pomeroy were out of town guests for the wedding.

Following the ceremony a very attractive luncheon was served on the veranda to the assembled guests.

Mrs. Young wore a going away gown of aqua colored crepe, trimmed with brown polka dot taffeta, and white accessories.

Mr. and Mrs. Young will make their home at Nyssa, Oregon, where Mr. Young has been stationed as a government engineer for the past five years.

Mr. Young is a graduate of Oregon State College and is a member of Sigma Nu fraternity and Mrs. Young is also a graduate of Oregon State College and is a member of Zeta Tau Alpha sorority.

Mr. and Mrs. Robt. Martin were here from Ontario for commencement as their daughter Ella was among the graduates. Mr. and Mrs. Frank Miller of Ontario also attended.
