VOLUME XXVIII. NO. 39.

NYSSA, OREGON, THURSDAY, JUNE 21, 1934

VALE PREPARES FOR ANOTHER

AUTO POLO AND BASEBALL TOUR-NAMENT BETWEEN ONTARIO. NYSSA, EMMETT AND PARMA HEADLINERS.

With auto polo, a big rodeo and free barbecue as the main features. Vale is getting ready to observe July 4th with its 16th annual celebration. Festivities will start this year on the afternoon of July 3rd with a double header baseball game, the Ontario, Nyssa, Emmett and Parma teams of the Idaho-Oregon league participating. That night there will be dancing on the maple floor of the new community hall to the music of Nettrowers orchestra.

Vale's famous old time magic city El G. O. P. GIRDS Beano, roulette, "21' and other games will give the throng a taste of the west of 50 years ago.

The parade on the morning of July 4th will be followed by the annual water fight of the Vale fire department. served in shady Riverside park.

Ater a picnic lunch, the crowd will adjourn to the arena for a play-off baseball game, the rodeo and the thrilling headliner, auto polo, Auto polo, say those who have seen it, is as full of spills and surprises as an automobile

In the evening there will be dancing, El Dorado attractions and a large number of carnival features.

THROUGH KOLONY

JULY 12th WILL BRING OPENING OF BIDS ON DITCH WHICH WILL DELIVER FIRST WATER ON

Engineer R. J. Newell of the Owyhee project will receive bids on Thursday morning, July 12, for the construction of approximately ten miles of the Kingman Kolony lateral and between four and five miles of small laterals lying east of the railroad near Adrian. Completion of this work this year will assure the delivery of gravity water on the old Kingman Kolony district under

the Owyhee project. For a period of about four years, construction has been under way for the "DAD" POWELL irrigation of around 100,000 acres of land under the Owyhee. The storage irrigation of around 100,000 acres of dam was completed two years ago, diversion tunnels and siphons have been built. Huge canals are being built. All CITY'S GRAND OLD MAN DIES AT of this activity points to the delivery of AGE OF 77 YEARS; PARALYSIS water early next spring which will mark a turning point on the Owyheethe completion of much construction and the start of farm development.

At present several hundred men are at work on the the project, the newest, crew being that employed by Bernard-Curtis Company of Minneapolis on siphon work. Morrison-Knudsen Boise is making good progress on Owyhee river siphon and others. General Construction Company of Seattle is making rapid progress on the lining of Mitchell butte tunnel, John Klug of Ellensburg, Wash., on a siphon job and long line of main canal running from the Terteling Company of Boise on a siphon which will be one of the big jobs to be let this fall.

BLODGETT HURT IN AUTO CRASH

Lawrence Blodgett is recovering from painful cuts and bruises about the head and shoulders sustained in an automobile accident Sunday morning which occured near the K. S. and D. ranch. While driving alone, his car turned grandchildren and one great grand- molished. It was a new Ford V-8 purchased the previous week.
