

LOCALS WIN IN BOISE SUNDAY, SCORE IS 11 TO 6

ONTARIO, EMMETT MIDDLETON AND NYSSA SHARE WINS IN OPENER OF SECOND HALF OF SERIES.

Outplaying the Boise champions of the first half of the Idaho-Oregon baseball league, the snappy Nyssa nine took the Mountaineers into camp Sunday to the tune of 11 to 6 in the opener of the second half. Nyssa outplayed Boise at every turn. Our boys collected 13 hits while Boise connected but six times.

On his toes throughout the game, Dean Johnston added more laurels to his growing fame by pitching like a Trojan. He whiffed 10 men while Foster and Phillippi of Boise found it impossible to hold the Nyssa boys in check. Boise's only redeeming feature was a double play in the seventh when three Nyssa men were on base. John Young clouted a short single. The play was Martin to Hollenbeck to Benedict.

Nyssa box score follows—

Young Boor Wins Heavyweight Championship of Boise Boxing Show

Young Howard Boor of Nyssa, who now weighs in at 246 pounds, added more laurels to his growing reputation as a fighter by winning the heavy-weight championship of the Idaho amateur boxing show in Boise last week. He returned home with a beautiful trophy in gold and bronze and the ambition to make the higher rungs in the fight game. The trophy may be seen at Don Graham's office.

In the finals, it took him less than one minute to polish off the just-as-heavy Jack Thomas, called the Caldwell blacksmith. After a little furious milling along the ropes, Boor squared Thomas off in the corner and with a single blow ended the battle.

In a more difficult fight with a more experienced fighter Wally Magill of Boise, Boor took a hard blow which sent him to the mat in the first round but he got his man in the second with another of the short, hard jabs that have a mountain of strength behind them.

Young Boor, who is 19 years old and a football player on the Nyssa high school team, won his first laurels as a heavy weight in his first fight in Nampa boxing show some two months ago when he knocked out Big Bill Willard of Nampa in 30 seconds. In his next

Mr. Beaumont states that the cooperative paid from 3 to 8 cents per bushel more than other grain buyers last season. He anticipates even better returns this year.

NEW LAW GIVES ROADS MILLIONS;

Probable good news for the I-O-N highway is gleaned between the lines of the report that Oregon will receive approximately \$3,600,000 under the Cartwright bill signed by President Roosevelt which appropriates a total of two hundred million for federal aid highways. State highway officials received a telegram Tuesday, announcing the Oregon allocation.

In addition to the two hundred million which is a federal grant to states, congress appropriated \$250,000,000 for federal aid to be matched by states on a 50-50 basis. "The Hayden-Cartwright act seeks to stabilize highway building by insuring work for the coming three years of far-reaching proportions and benefits," the President announced.

Notice was also given states that unemployed emergency grants are to be abandoned unless plans are made to meet the federal government half way in paying for new construction.

JORDAN VALLEY HOLDS JUBILEE FOR I-O-N ROAD

SNAKE RIVER VALLEY CELEBRATES START OF WORK ON CUT-OFF URGED 20 YEARS AGO; THOUSANDS TAKE IN FETE.

Where a shorter route to California through Malheur county was seen in hope 20 years ago, faithful backers of the Idaho-Oregon-Nevada cut-off saw the "beginning of the end" at a well-attended celebration in Jordan Valley on Saturday and Sunday. From three states they gathered to celebrate the start of work on the I-O-N in both Idaho and Oregon.

Governor C. Ben Ross of Idaho opened the program with a talk on the advantages of the cut-off as an outlet for surplus farm crops of the Snake river valley. After the program he rode a horse in true cowboy style to take in the rodeo.

Judge David F. Graham and County Commissioner E. H. Brumbach of Big Bend, who have been friendly toward the I-O-N, made interesting talks as did Mayor J. B. McCain of Jordan Valley, Mayor E. W. Rising of Nampa, Walter Griffiths of Caldwell, who was a member of the original I-O-N Cut-off committee organized 20 years ago, Engineer J. Lolo of Nevada, O. O. Haga of Boise and Otto Blackaby of Homedale.

Boxing bouts climaxed sports. In the main event Boyd Acacregui, 146, of Jordan Valley, slugged his way to an easy decision over Jack Hanna, 146, of Ontario. Wilder won a baseball game with Jordan Valley 11 to 4 to avenge a defeat of several weeks ago. The rodeo program was climaxed by a free-for-all in which Bill Buffington's Starlight, a Jordan Valley horse, galloped to victory over Starlet owned by Chuck Davis of Horseshoe Bend. Maxine, owned by Bob Rintoul of Jordan Valley, streaked across the finish line in third place. Dancing was enjoyed both nights.

Jordan Valley people estimated their crowd at about 3000 people, the largest gathering ever held in the history of their little city which is the high way point on the I-O-N highway.

CHANCES SLIGHT FOR SCHOOL LOAN

At several meetings of the school board during the past week, plans of various architects for a suitable building have been considered but to date no selection has been made. Just how to finance the building is another problem that confronts the board as it seems impossible to secure a federal appropriation without considerable delay and red tape.

In the meantime Dewey Alexander's crew is cleaning the bricks which are about all that remain of the old school building.

BASS-HUETER PAINT MEN GIVE DINNER

"The wise property owner has learned it saves him money to use quality paints and employ a good painter," said H. L. Pickett at a dinner given by the National Lead Company Monday in Ontario for representatives from Eder Hardware and other dealers in this section. Andy Whyte of Salem was toastmaster.

"Many property owners have tried to save money by buying 'cheap' paint but the result cost the owners many times what they saved on their first coat," said Pickett.

W. D. Herman gave demonstrations which showed the adaptability of Dutch Boy paints in producing interior decorative effects and protective coatings on exterior surfaces.

DRIVING STORM BRINGS HEAVIEST RAIN IN WEEKS

A driving wind, accompanied by beating rain and lightning, swept over Malheur county and Idaho early Tuesday to leave an undetermined amount of damage and value to crops and range in its wake. A regular cloudburst showered East Cow Hollow where trench excavations and forms for a siphon just started by Bernard-Curtis Company were wiped out or damaged. Sections of the Mitchell butte lateral were washed out and a big culvert at Chalk butte.

In town the wind whipped a slice of roof off the grandstand and uprooted several trees, at the Blodgett, Eddie Powell and Felton homes. The chimney on the old frame schoolhouse was torn down. Power and telephone crews were kept busy Tuesday repairing the damage to lines.
