Millions NOW WANT THE NEW Firestone CENTURY PROGRESS TIRE

THAT TEN MILLION PEOPLE HELPED TO BUILD

EQUAL OR SUPERIOR TO ANY FIRST QUALITY TIRE BUILT—REGARDLESS OF NAME, BRAND, BY WHOM MANUFACTURED OR AT WHAT PRICE OFFERED FOR SALE

THE immediate and enthusiastic acceptance of the new Firestone Century Progress Tire started a tremendous wave of buying that is keeping the Firestone factories running twenty-four hours a day to meet this huge demand.

We knew that car owners would replace their thin-worn, dangerous tires if they could get what they wanted in a tire at the price they wanted to pay. We found the answer through ten million visitors to the Firestone Factory at the World's Fair last year. We asked them—"What do you value most in a tire?"—and their answer was—"Give us Blowout Protection, Non-Skid Safety, and Long Wear, at a moderate price."

Drive in to the Firestone Service Dealer or Service Store today! Equip your car with these new Firestone Century Progress Tires, with the massive flat tread, deep-cut, non-skid, broad husky shoulders, and Gum-Dipped cords. Tire prices probably never again will be as low as they are today. At these unusually low prices for first grade tires, we make it easy for you to buy not only one tire, but a complete set.

And Remember—with every tire you are protected by the new Firestone Triple Guarantee

—for Unequalled Performance Records
—for Life Against All Defects
—for 12 Months Against All Road Hazards*

MOVIES COST LIFE OF JOHN DILLINGER

Chicago—John Dillinger's penchant for the movies ended the bloody career of America's ace desperado.

One of his favorite hobbies was to

spend hours in a motion picture theater, usually a neighborhood house.

One of his girl friends told officers "Johnny would sit through two or three shows" if he liked the picture. Dillinger, she said, was so fascinated

with "Three Little Pigs" and "Mickey Mouse" that he went back to see them a second time.
