4-H CLUBBERS WILL PICNIC

STATE LEADER WILL ATTEND
BOYS AND GIRLS PICNIC AT
BUTLER'S GROVE AUGUST 1st.

Arrangements are being made to hold the annual 4-H club picnic at Butler's Grove on the Ontario-Nyssa highway Wednesday, August 1, according to E. M. Hauser, assistant county agent.

This annual picnic is in the nature of a general get-together for all 4-H club members in the county, for the parents of members, and those interested in the work.

L. J. Allen, assistant state club leader, will speak. The picnic will start about 10:30 with games and stunts, which will continue until lunch, each group bringing their own lunch. A literary program consisting of short talks, group songs and a few musical numbers are scheduled to follow the luncheon period, and the rest of the afternoon will be devoted to playground ball, swimming, games and stunts. Judging from past experience, the annual picnic is one of the high lights of the 4-H club season, giving the members in the various parts of the county an opportunity to get together for a thoroughly enjoyable time, and get more fully acquainted with each other.

LARGE HAYSTACK BURNS AT AROCK

Arock—Fire of unknown origin destroyed 150 tons of hay on the J. R. Lynde ranch Thursday night.

Cutting of the second hay is under way, the crop is very light being restricted to the lower and more moist grounds. Pasture is in demand throughout the valley.

Mrs. Hertha Packard gave Arock grangers a very entertaining program July 14th.

Grain harvesting and threshing is expected to start in about a week. The crop is light probably reaching 5 thousand bushel here.

C. E. Lanning made a trip to Caldwell the 16th taking Donald Danner with him.

Mrs. Eloise Swanstone of Denver, Colo., is spending a few weeks with her father A. E. Robison.

AT SCOUT CAMP

Mayor and Mrs. Howard J. Larsen and sons Warren and Howard, Mr. and Mrs. Frank Lathen and their three sons and Raymond Graham are spending this week at the Boy Scout camp at Warm Lake. Mayor Larsen is scoutmaster here and enjoys his annual visit to the camp quite as much as do the younger scouts.

MILL INSTALLED AT MINE

Eddie Powell has installed a new Merrill mill at his gold mine near Prairie City and he anticipates production at an early date. The mill was installed by Herman Towne, local mechanic, who returned home Sunday to resume work at Larsen Garage. On Tuesday Powell and Marlin Wilson returned to the mine after spending several days in town.

Mr. and Mrs. L. E. Bachman left for their home in Missoula, Mont., Tuesday after spending their vacation at the parental W. A. McNall home.
