It was enlarged later to accommodate the public with the natural hot springs on the ranch. Neither the Remsen family or Mr. and Mrs. Johnson, who occupied an apartment, were home when the fire occurred so most of the contents were burned. Prompt work by volunteers prevented the loss of adjacent crops and shrubbery.

Mr. and Mrs. W. S. Maher and daughters left for Boise after spending the summer on their ranch here. Mr. Maher returned Thursday to help with the beef drive to Murphy. Maher Bros. shipped about seven cars of cattle.

Owing to the drouth cattle are being shipped about a month earlier than usual.
