EMMETT EAGLES ORGANIZE LODGE

AS THE EAGLE SEES IT

Lott Brown, Dad Williams, Doc Marshall and Warren McHargue motored to Emmett Sunday evening to attend the institutional ceremonies of a new Aerie at Emmett which is starting out with 200 names on the charter.

Dean Smith, Eagles fight promoter, and Scoutmaster Howard Larsen are lining up an amateur fight card for the benefit of the Boy Scouts. Any one who aspires to do a little pugling should get in touch with Dean.

We wonder why, after all these years that Sheltons have been running that same old milk wagon and the same old horses and everything, that all at once that old wagon should bloom out in a new coat of paint which also reminds me of the time a certain lady's husband in town came home sooner than his wife expected and slipped up behind her and kissed her and heard her say "Don't leave any cream today Harry just a quart of milk."

Prost says, you guys that don't have your dues paid by the 15th of the month won't be entitled to any doctor's services for 20 days after you do pay up and another thing, if you will read that letter on the back of your receipt it might save you a headache some day.

Andy McGinnis, landlord of the aerie hall, has returned from California. We are glad to note that he is feeling much better and has thrown the old cane away.

While helping his wife with the family washing last week Ernest McClure got his hand caught in the wringer.

Some of these bright days we are going to take a notion to fix windows, sand the floor, oil and paint the basement and generally repair the aerie home.

It's time to get busy on the membership campaign, to think of winter entertainment and to get the ball rolling.

Coach John Young and his sister Miss Margaret of the school faculty returned Monday from their home in Madras.
