VOYAGER

My window-sill is the bulwark, and my cottage a ship at sea. The lawn is suddenly the ocean. Bringing strange scents to me. Tony and I there watching The flying fish spring from the foam To flitter over the water. Then return to their sea-deep home. Over and around and about us Gulls in continuous race; Warmth and beauty and color And airy, shining grace. A teal-blue heaven above us Trembling with myriads of stars, Lending a glorious enchantment To the deck, the masts and the spars. The cinnamon fields of Colombo Sends a rare a spicy scent, We go to Jamaica, to Singapore, Then back to the Occident. For the mornce my travels are over, I take up my tasks with a will. Till again I am swiftly transported On a ship from my window-sill. —Ruby Ellis Rust.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right dose of a liquid laxative brings a more natural movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good. A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels until nature restores them to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given the youngest child.

C. H. Shirk was in town Wednesday from his ranch near the Owyhee school. He reports that work on his new house is progressing rapidly. The Shirks moved here from Meridian recently to start the improvement of their new farm.

The stores in Nyssa are taking on a distinctive Christmas appearance, with some very pretty decorations in evidence.

Don Graham was in Vale Wednesday conferring with officials regarding FERA projects for Nyssa. The new mayor hopes to get some of these projects lined up for this winter.

Jack Rogers left Tuesday for Payette where he will be in the F. H. Hogue office until the first of the year.

The FIRESIDE PHILOSOPHER

By ALFRED BIGGS

Defy the future; don't fear it.

Wrongful gains never satisfy.

You can't live right if you don't think right.

Don't expect perfection without giving it.

Electricity hasn't done away with midnight oil.

Harshest critics generally can least stand criticism.

Good acts are remembered when good sermons are forgotten.
