Constipated?

The doctors say . . .
Use liquid treatment

Here is the soundest advice anyone can give on the subject of laxatives. It is based on medical opinion. We want you to have the benefit of this information no matter what laxative you may buy:

The secret of real relief from constipation is reduced dosage. You can't regulate the bowels unless you can regulate the help you give them. That is why doctors use a liquid laxative; the dose can be measured to a drop.

Avoid laxatives that you can't cut down in dosage; especially those that seem to require larger doses than when you began their use.

Under the doctor's care, you usually get a liquid laxative. The right liquid laxative gives the right kind of help, and the right amount of help. Smaller and smaller doses—until you don't need any.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—natural laxatives that form no habit.

Introducing the NEWEST Study and Reading Lamp

SPECIFICALLY DESIGNED
TO SAFEGUARD EYESIGHT

Here is a new type of Study and Reading Lamp that will be welcomed by many families. Placed near a table it gives perfect light for studying when required. When not in use for studying it may be placed alongside a chair or davenport where it will serve as an excellent reading lamp.

Approved by I. E. S.

The lighting unit not only meets, but exceeds, the rigid specifications of the Illuminating Engineering Society. The open top bowl-shaped reflector directs a scientifically metered flood of diffused light upon work or reading that conserves tired eyes and at the same time fills the room with a soft glow.

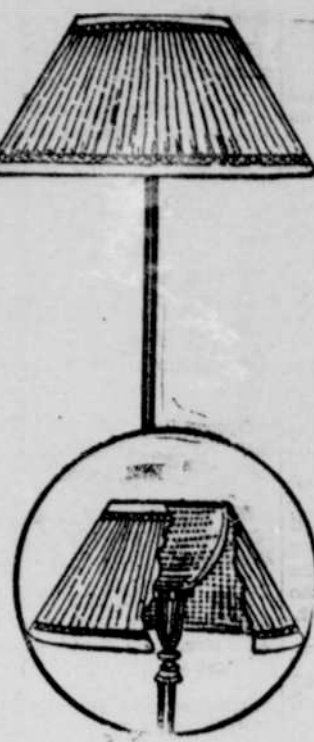

A Variety of Attractive Styles

This attractive Lamp is shown in a number of different styles—three clever designs in standards finished in bronze—six different silk shades and six in parchment. A style and color to lend new charm to your rooms. A lamp that gives you beauty—correct lighting to avoid eyestrain—and extra sturdiness for long service.

With Parchment Shade \$ 9.95
With Silk Shade \$12.85

An Attractive I. E. S. Floor Lamp

In Pleasing Design and Finish

A lamp scientifically designed to provide ample light for reading, sewing and other close visual tasks and diffuse illumination throughout the room. The stately designed standard is finished in bronze and it has an attractive silk shade in either gold or rust. Equipped with three-candle bracket and three-lite Mazda lamp globe; one turn of the switch gives 300 watts; the second turn gives 200 watts; the third turn gives 100 watts. Priced complete with lamp globes.
