"Slim" McLang was in the other day and purchased several gallons of Fuller's Pure Prepared paint. See us for your paint needs.

Maybe the nation would feel a bit more optimistic if the girls would get their finger-nails out of the red.

A Negro was endeavoring to make clear to a friend just what constitutes oratory. "I will elucidate," he said. "If you say black am white dat am foolish. But if you says black am white an' bellers like a bull, an' pounds the table with both fists, dat am oratory!"

A short time ago Tony Mazac was in our store wanting a water system. We fixed him up with a Red Jacket Automatic system. This is a compact and very efficient pump, and prices are very reasonable. See us for pumps of all kinds.

We recently got a cob carrier chain for Tom Johnson's corn sheller. Any repairs you may need we can secure for you if we do not have them in stock.

A newly created papa received the glad tidings in a telegram: "Hazel gave birth to a little girl this morning; both doing well." On the message was a sticker reading: "When you want a boy call Western Union."

Dale Garrison just purchased a new Great Western range from us. This is one of the oldest and best lines of stoves made. When in need of stoves get our prices.

We have a good used electric cream separator on hand. If you are in the market for one, better see it.

Nyssa School News

W. W. W.

This time we shall put in each class from freshman to the Seniors. She is slender with dark hair and merry blue eyes. She lives in Adrian. When one is just in his first year of high school it is difficult to know all his good or bad qualities. However from our observations of this girl we may truthfully say she possesses many more of the former than the latter.

The Sophomore is new to this school. He having recently moved from Colorado out here. He has curly blond hair and blue eyes. Although he has only been here a short time he made the second team in basketball. We are sure he is a very welcome addition to our school.

The Junior is a member of the Lettermen's club. He wears one of the new sweaters. The coat type with two stripes. Doesn't go out for basketball but evinces great interest in the popular game of football. He has brown hair and blue eyes. Outside of school hours is a very professional ambulance driver.

The Senior is a girl with dark brown hair and green eyes. Is the secretary-treasurer of the class. Belongs to the GAA and participates in most of the girls athletics. Is very much chagrined because of her new glasses. When she graduates this spring we will lose a good student and a loyal supporter.

The Seniors had their pictures taken last Friday by Mr. Bevins of Astoria. The proofs came Monday morning and Mr. Bevins took the seniors Monday afternoon.

The GAA furnished the entertainment for the regular student body meeting last Friday. It consisted of a dance by Mickey Hite, a short skit having various students representing members of the faculty and yell practice. The following girls were in the skit: Vera Garrison, Harriet and Isabel Sarazin, Nellie Jean Schweizer and Virginia Miller.

The Seniors had a short class meeting last Friday to make plans for getting funds with which to buy their lights. It was decided to have

each Senior bring 10c and also pay his class dues.

A new system of grading is being started in school. Each teacher has a bulletin posted telling the assignments for a week. On the bulletin is a maximum amount of work to do in a week, also a minimum. Those students who expect to get a grade of "one" or "two" must do the maximum amount.

This is expected to do away with the old faithful excuse "I didn't know the assignment."

The Physics class looks forward to the days when they get to experiment in the lab. Tuesday they experimented with voltmeters and ammeters. They found the resistance of some copper wire. Some of the people in the class like to see how much electricity they can take.

Members of the Junior class are planning to get their senior rings this spring, so that they will have the pleasure of wearing them all next summer.

The people in the art class are making many kinds of bowls, nut cups, and pin trays from rolling a paper cerpenline. They are made from mixed colors or plain and then shellacked.

One day in a Geometry test Ruthelyn handed a paper in signed, Mae West.

Mr. Young—Why did you sign your paper Mae West?
Ruthelyn—Because I done 'em wrong.

MOTHERS AND DAUGHTERS BANQUET IS POSTPONED

The Mothers and Daughters banquet which was to have been given this Friday evening at the church has been postponed indefinitely on account of conflicting with the entertainment to be given by the commercial club.

Carrying On The War

Those two chin bustin' Irishmen, James Cagney and Pat O'Brien, who battled through "Here Comes the Navy" are now scrapping it out in the Marine Corps in the Cosmopolitan Production "Devil Dogs of the Air," which Warner Bros. will present at the ROXY THEATRE on Thursday-Friday-Saturday.

Owyhee P. T. A. Enjoys Program

Owyhee—On Thursday afternoon February 14 Owyhee P. T. A. met at the school house for its regular meeting. A Valentine party was put on by Mrs. Clare J. Baker and Miss Crete Marie Foster for their pupils and to celebrate Founder's day.

In the early afternoon games were played by the school children after which the Valentine box was opened and Valentines distributed. Mrs. Ruby Rust recited several children's poems. Candy and popcorn were passed by the pupils.

P. T. A. convened at four o'clock with president Mrs. Neil Dimmick in charge. Members decided to have the Nyssa Epworth League put on their operetta "Windmills of Holland." They also decided to send money to Nyssa to help furnish the rest room in the new school. A Pounders Day cake and coffee was served at the close to a good crowd. The membership committee has signed up twenty-five members.

FEEL TIRED, ACHY— "ALL WORN OUT?"

Get Rid of Poisons That Make You Ill

Is a constant headache keeping you miserable? Do you suffer burning, scanty or too frequent urination; attacks of dizziness, rheumatic pains, swollen feet and ankles? Do you feel tired, nervous—all unstrung?

Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits poisons to stay in the blood and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They help the kidneys cleanse the blood of health-destroying poisonous waste. Doan's Pills are used and recommended the world over. Get them from any druggist.
