INDEPENDENT IN POLITICS AND RELIGION. OPTIMISTIC IN DISPOSITION—WITH NO INTERESTS TO SERVE EXCEPT THOSE OF MALHEUR COUNTY.

KNOW YOUR OWN COUNTY—

We wonder how many of our new readers have taken a trip through the new project lately? How many know what's taking place on one of the government's greatest projects right at our door step? How many have seen the dam, the tunnels and understand their function?

You have seen big display advertisements sponsored by civic minded people on "See America First" and "See Oregon First"; trying to impress on our people that the finest scenery in the world is located in America and much of this is in Oregon. You have read stories and articles on vacationing in our great national parks and forests; visiting our great cities and expositions. Now we are not advocating spending your vacation on the Owyhee project but it is the duty and privilege of Malheur county folks to know Malheur county and we do suggest that some day when you are not too busy, take a day off, load the family in the family chariot and inspect this Owyhee project from beginning to end. Inform yourself about this truly great undertaking and the next time a stranger asks you about this new project have enough information at your finger tips so that you can really discuss the project in an intelligent manner.

It has been suggested by some of the business men of Nyssa that a caravan should be organized sometime in the near future to travel over the project and see the wonderful progress being made by the new settlers.
