Parma, Idaho Edited by Nysa, BALDRIDGE IMPLEMENT CO. Oregon

A homely example of modern progress and the advantages of machine methods is that it only takes one-third as much cloth to make a dress now as it used to take to make a Mother Hubbard, and still it costs three times as much.

Andrew McGinnis has been giving the basement of the Oregon Trail school a new coat of Kalsomine. Fuller's Hot Water Wall Finish was used to obtain the best results. It spreads easier and makes a nicer job. We have it in the bulk as well as package. Our price is 10c per lb.

Many took advantage of our paint sale which closed last Saturday. Mrs. Eulah Kelley purchased paint for her five houses. H. T. Francis, Wendell Pogue, W. F. McLaugh and others also bought paint for their homes. Mrs. James McCain of Jordan Valley added an order for porch-deck paint to the list. Wherever Fuller Paints are used one can be assured of a first class job. **Kleen Up With Fuller.**

Genaro Plaza and R. C. Cornett purchased a 4-horse Van

Burnt grain drill with seeder attachment from us this week. The Van Burnt has an extra heavy galvanized steel grain box and a life time guarantee on the disc hub bearings. The latest thing in grain drills will be found in the John Deere Van Burnt line.

The Budget
Hubby and friend wife were going over the family budget. Frequently he ran across an item, "H.O.K. \$3.00," another, "H.O.K. \$7.00."
"My dear," he said "what is this H.O.K.?"
"Heaven Only Knows," she replied.

The Fairbanks-Morse platform scale is a good one. Both the 500 lbs. and 1000 lb. capacity are made entirely of steel. Mr. Jake Groot just got one of the 1000 lb. scales from us. They come in mighty handy on the farm.

We are glad to see our Idaho friends coming to Nysa to do their trading. No "Pennies for Benny" in Nysa, as some one has said. "C. Ben Ross is the best governor Oregon ever had."

NYSSA SCHOOL NEWS

A very interesting talk was given before the student body last week by Miss Helst, a teacher from India. She described the apparel of the girls, teachers and ladies of high caste and dressed some of the high school girls to illustrate them. She told of the modes of traveling; described the primary and high school and spoke in the language of India, telling also some of the mistakes made by foreigners unacquainted with the Indian tongue.

If you see someone dashing around and earnestly entreating "April showers bring May flowers," don't be alarmed. It's probably just one of the Biology students endeavoring to make their flower collection complete before the end of school.

FEEL TIRED, ACHY— "ALL WORN OUT?"
Get Rid of Poisons That Make You Ill
IS a constant headache keeping you miserable? Do you suffer burning, scanty or too frequent urination; attacks of dizziness, rheumatic pains, swollen feet and ankles? Do you feel tired, nervous—all unstrung?
Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits poisons to stay in the blood and upset the whole system.
Use Doan's Pills. Doan's are for the kidneys only. They help the kidneys cleanse the blood of health-destroying poisonous waste. Doan's Pills are used and recommended the world over. Get them from any druggist.
