### LOST FAT

#### Foiled Gossipers

Mrs. J. R. McCausland of Pittsburgh writes: "I took off 8 lbs. in two weeks with Kruschen. I ate as usual and feel fine." You, too, can safely reduce as Mrs. McCausland did if you'll have a mind of your own. Pay no attention to gossipers who wouldn't want to see you the slender woman you can be if you'll take a half teaspoonful of Kruschen Salts in a cup of hot water every morning. (Tastes fine with juice of half a lemon added.)

Kruschen is SAFE—it's a health treatment and when your body abounds with Kruschen fitness—excess fat leaves. Jar lasts 4 weeks and costs but a trifle—any drugstore. The Nyssa Pharmacy sells lots of it. —Advertisement.
