Citizens Military Camp Opens July 5th

Vancouver Barracks, Wash. April 11 (Special)—Benefiting from a recent order which has more than doubled the tentative quota, Malheur county now will be entitled to send 2 students to the tenth annual Citizens Military Training Camp at this post starting July 5th, it was announced today.

The quota was set first at 218, but this has just been raised to 480; and Brigadier General James K. Parsons, camp commander, has directed that the increase be distributed proportionately to the counties.

The camp, as formerly, will run for four weeks, and will be without cost to the trainees including transportation to and from home.

The students live in an orderly open-air tent camp, follow a program in which work and play are blended with heavy emphasis upon athletics and recreation, and enjoy a menu especially arranged for quantity and quality. The camp is open to boys 17 years old or over, and both former students are to be accepted.

General Parsons asks that prospective applicants communicate as soon as possible with the camp authorities, addressing communication to C.M.T.C. Headquarters, Vancouver Barracks, Washington, or call upon their county chairman is more convenient. The enrollment chairman in Malheur county is Mr. Stanley Mallett, Ontario, Oregon.

Mr. and Mrs. R. L. Haworth and daughters were Easter guests at a family gathering at the S. Haworth home in Star.

TAX LEVIES OF OREGON CITIES GIVEN

University of Oregon, Eugene.—The average citizen in the average Oregon city pays \$14.81 per year taxes to maintain the functions of his city government. City taxes vary from nothing at all in a few small towns to a high per person of \$73.71 per year. Nyssa pays an average per capita tax of \$9.96.

Portland pays somewhat above the average, \$17.37 per capita, and incidentally tends to raise the general average, due to its much greater population. Most of the Oregon cities fall between \$5 and \$12.50 per capita, and a fourth of them are between \$7.50 and \$10.

These and many other figures on city assessed valuations and tax levies are included in detail in bulletin No. 10, just issued by the Bureau of Municipal Research of the University of Oregon and the League of Oregon Cities.

The average assessed value of Oregon cities, per person, computed on a 50 per cent assessment ratio, is \$695. The average for the entire state, including both city and rural areas, is \$725. For Nyssa the average is \$380 per capita.

Gresham, which also levies the highest per capita tax, is the "richest" city in the state, with a per capita assessed valuation of \$2263. Portland ranks second with \$885 per capita, while Roseburg is third with \$809, the survey shows.

The average city tax rate for the state, on a 50 per cent valuation basis, is 21.3 mills. Nyssa, on a 50 per cent basis, would pay 26.2 mills per person, although on the regular county assessment ratio the rate is 25.7. The highest is 78.1, second 75.2, and third 71.3. Of cities over 5,000 population Corvallis is lowest with 17.5. Hillsboro, with 16.3 is the lowest in the 2500 to 5,000 population group. In the over 5,000 group, however, Pendleton has a lower mileage levy, 13, than Corvallis, but its assessment ratio is much higher than that in effect in Corvallis.

Copies of the study, which includes every city in the state, may be obtained from the Bureau of Municipal Research at the university at Eugene.

MALHEUR COUNTY TO HAVE HOUSING CAMPAIGN

Chairman Gerry Manville, of Malheur Better Housing Committee, reports that application has been made for SERA funds to assist the county in conducting a Better Housing canvas. It is believed a lot of modernization work can be developed in that area as soon as weather conditions become more favorable.

Mrs. Aden Wilson, Eddie Powell and Mrs. Otto Keller and son enjoyed a fishing trip on Burnt river ad a visit to the Powell mine last Sunday and Monday.

BASS-HUETER PAINT

A Pick-me-up for jaded furniture

When furniture begins to look a bit dull and uninteresting it may only need a color cocktail. The recipe is simple: One part color-imagination and two parts Lustrelac Quick-Drying Enamel. Brush on easily and smoothly and allow to stand 'til dry (about 4 hours). It will stimulate your whole room—you'll feel the effect yourself! And the dullest furniture will go gay and sprightly on you. 14 sparkling colors.

CONTEST STARTED TO HELP DESTROY PREDATORY BIRDS

The Malheur County Fish and Game league is sponsoring a campaign against magpies and crows, the campaign starting April 1st and ending June 30th. Prizes will be offered for the most points in the contest. Points will be scored as follows:

Crow heads, 4; crow eggs, 1 each; magpies 4 and magpie eggs, 1 each. 500 points will be necessary to qualify in the contest.

O. G. Luehrs of Ontario is giving a 22 rifle for high prize and the Malheur Fish and Game league is adding \$5.00 for second and \$3 for third prize.

DOCTOR TOLD HER HOW TO LOSE 17 POUNDS OF FAT

GOSSIPERS PEEVED

Mrs. Robert Hickey of Roseville, Calif., writes: "My doctor prescribed Kruschen Salts for me—he said they wouldn't hurt me in the least. I've lost 17 lbs. in 6 weeks. Kruschen is worth its weight in gold."

Mrs. Hickey paid no attention to gossipers who said there was no safe way to reduce—envious women who don't like to see others youthfully slim. She wisely followed her doctor's advice. Why don't YOU.

Get a jar of Kruschen to-day (lasts 4 weeks and costs but a trifle and if you don't lose 12 lbs. and feel years younger and healthier—money back. Simply take half teaspoonful in cup of hot water every morning (tastes fine with juice of half lemon added). The Nyssa Pharmacy sell lots of it. —Advertisement.

MARTIN REAPPOINTS DEBT ADJUSTMENT COMMITTEES

Expressing hearty approval of the work accomplished during the past two years and a desire for the continuance of farm-debt adjustment work through the voluntary committee plan, Governor Martin has appointed committees in each county of Oregon.

The committee for Malheur county consists of P. Tensen of Nyssa, E. M. Greig, Ontario, P. M. Boals, Payette, D. C. Deming, Vale, and H. G. Joseph, Weiser. All these men have served on this committee previously.

THE 2 GREAT SAFETY FEATURES That Sold A Million Plymouths

1. Genuine Hydraulic Brakes.

2. Safety Steel Bodies.

The time to think about safety is when you're buying a new car. So note this: In the big, new fast Plymouth you have two great safety features which have sold more than a million Plymouths in the past few years . . . and which are selling twice as many so far this year!

First, genuine hydraulic brakes, self equalizing . . . smooth stopping . . . safest made.

Second, an all steel body . . . steel reinforced with steel, throughout! Plymouth alone of "All Three" leading low-priced cars, gives you both these vital modern safeguards.

SEE THE NEW PLYMOUTH . . . DRIVE THE NEW PLYMOUTH.

Prices start at \$510 list at factory.
