**LOST FAT Because She Heeded DOCTOR'S ADVICE**

And Didn't Listen To Gossiping Neighbors

Mrs. H. H. Long of Clarinda, Iowa, writes: "Kruschen was recommended to me by my doctor. Weight when starting was 228. Weight now after 3 jars is 208. Doctor says I'm doing fine."

When Kruschen Salts is prescribed by reputable physicians to safely take off fat and greatly improve health—why listen to gossipers who don't want you to be slender? Envious!

Have a mind of your own—get a jar of Kruschen to-day (lasts 4 weeks and costs but a trifle). Take a half teaspoonful in a cup of hot water every morning—tastes fine with juice of half lemon added. If you don't lose 12 lbs. and feel years younger—money back. The Nyssa Pharmacy sells lots of it.—Advertisement.
