"ROLLATOR REFRIGERATION saves up to \$11.00 a month" verified by thousands and thousands of NORGE OWNERS

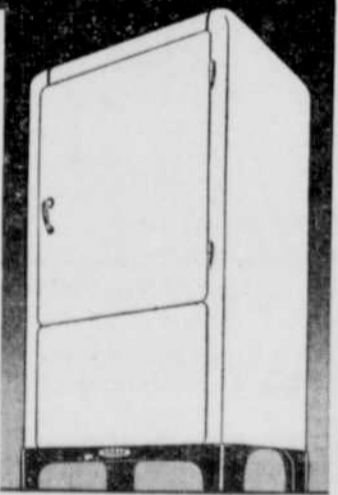

Evidence is not enough. Norge demands proof!

Norge has long known that Rollator Refrigeration effects savings up to \$11 a month. But Norge wanted first-hand proof of Rollator Refrigeration savings. Thousands of Norge owners were interviewed. And what did they report?

Savings of \$11 a month were common. Savings of \$12, \$13.50, \$15, even \$17 were reported. A vast majority of owners said that Rollator Refrigeration gave them far more than they had expected—in savings, in conveniences, in health protection, in improved flavor of foods.

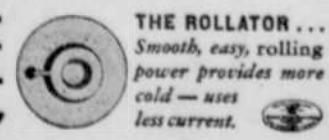

We feel confident in asking you to go to any Norge owner for inside information about

Rollator Refrigeration. Ask the dealer near you for names. Or, if you prefer, he will show you facts and figures to substantiate every Norge claim.

By all means, see the Norge before you buy.

NORGE
Rollator Refrigeration

THE ROLLATOR . . . Smooth, easy, rolling power provides more cold—uses less current.
