ALASKA PROJECT IS FARCE SAYS CALDWELL VISITOR

There is no hope for success of the Matanuska valley colonization project in Alaska, is the opinion of Herbert Johnston, Alaska resident for 20 years, who is visiting in Caldwell. Every charge and criticism is true, Johnston says. Two thousand people moved to the valley have no hope for the future because there is no market for the crops they raise.

Electricity Makes the "Hot" On the Faucet A Reality

Whenever You Want Hot Water You Simply Turn The Faucet

Every home has an almost endless need for hot water—but so little thought is given to the method of obtaining it. Some families try to struggle along with teakettle or an old-fashioned heater that requires as much care as an ancient cook stove.

In the home served by an Electric Water Heater there is no time wasted in waiting for water to heat. No time spent in heating "emergency" supplies on the kitchen range. No time spent running down stairs to turn the heater "on" or "off."

The Electric Water Heater is positive in its automatic operation. It supplies your every need when the need is there—and without waiting. It makes the "HOT" on the faucet a reality.

This Special Introductory Offer Ends Saturday July, 13 An Electric Water Heater

Completely Installed **\$74 50**
Including Wiring and Plumbing
for only . . . **74 CASH**

Now, while this special offer is in effect, is the time to install an Electric Water Heater in your home. Put an end to your hot water worries once and for all. Give your family the comfort and convenience that only electric hot water can provide. Remember this special offer ends Saturday, July 13. Don't delay. Take timely advantage.

SOLD ON EASY TERMS

Investigate the Low Rates for Water Heating

Rates for normal domestic water heating have been REDUCED ONE-THIRD. This brings the cost of electric water heating down to a point where it is the most economical and convenient method of heating water.

Come in or telephone for a representative to call at your home and explain the new low rate for water heating in detail, and the superior advantage of this modern, efficient service.
