Will Your Advertising Be
When The Ink Is Dry?

Will It Be

THROWN IN THE GUTTER?
HIDDEN UNDER THE SHRUBBERY?
BLOWN AGAINST THE HEDGE?
JUST RUBBISH ON THE LAWN?

Or Will It Be

Under the reading lamp inside the home—a cherished and invited member of the family circle? This is where your message will be if inserted in The Journal which is a welcome visitor in the homes.

The Journal is ordered and is not an unwelcome intruder on the premises. It is eagerly awaited by the reader, who desires to keep abreast of the happenings in the county—including news concerning merchandise—prices offered by stores and firms. Nothing else can take its place as an advertising medium and business getter for you—nothing else can compare with it in cost of prospect-coverage or results obtained. The Journal has "reader interest." Advertising, to be effective, must have quality as well as quantity.
