Mrs. C. B. Short has been a frequent visitor at the Ontario hospital where her nephew Keith Frost is seriously ill following an auto accident which happened near Fruitland last week end. The 18-year old youth was riding in a car driven by a friend with his arm on the outside and when the driver turned out to meet a car his arm was broken and twisted by rubbing against a truck parked at the side of the road. The truck did not have any lights and the boys could not see it. The boy with his mother Mrs. M. Frost had just come two days before from Erbon, Kan., to look for work.
