PARENT-TEACHERS MEET FRIDAY AT KINGMAN

In an excellent talk at the Kingman Parent-Teacher meeting Friday, Mr. Wylie Hewitt told what the teachers hope to accomplish in the school this year and how the parents can help them. He emphasized the fact that regular attendance, ten hours sleep and a good breakfast were necessary if the child is to prosper in school work. The large number attending the meeting were each given a copy of the Kingman Journal, a student paper edited and published by the pupils of the school.

Miss Crummitt gave a talk on the standard reading tests, explaining their methods and Miss Tucker talked on regular attendance as an aid in the advancement of primary children.

To open the program pupils from the first five grades sang and dramatized some of their reading lessons.

BANISH BODY ODOR This NEW Way

Perhaps you're wondering why your friends keep their distance; why they look embarrassed when you ask them what's the matter. Body odor is such a delicate subject, nobody cares to tackle it with the offender.

Body odor cannot be banished by mere washing. It is chiefly caused by acid secretions in the skin which need a special cleansing agent to remove them. RADOX contains that agent in form of oxygen, and is guaranteed not only to neutralize perspiration, but to cleanse the pores thoroughly, and leave the skin with a faint, alluring fragrance. Simply dissolve 4 heaping table-spoonful of Radox in a tub ½ full of warm water—relax for 15 minutes. After Radox has cleansed your skin of the all the acid secretions, you can be at ease about your daintiness all day. You can get it at The Nyssa Pharmacy—Advertisement.
