**INSTALL SEED
CLEANING MACHINE
AT ELEVATOR**

A new seed, bean and grass seed cleaner has been installed at the Nyssa Elevator and is one of the very best of its kind. Mr. Jay Galligan, district manager of the Caldwell Flour Mill, who own the local elevator, was in town this week and said in his opinion the Nyssa Elevator was the best equipped plant in this part of the country. The new equipment makes it possible for farmers to have even the more complicated cleaning jobs done at the local plant.

Bill Snook of Payette was a visitor in Nyssa Wednesday.

**OWYHEE VISITORS
HONORED AT PARTY**

Owyhee—Mr. and Mrs. W. L. Dimmick of Yakima, Wash. have been visiting their son Neil Dimmick and family for the past three weeks. Honoring their visitors, Mrs. Neil Dimmick entertained a number of friends Friday evening. Four tables of Contract were in play with high honors going to Mr. and Mrs. Russell Patton, while Mrs. Ode Schweizer and James Moss won the consolation prizes.

Jake Kolan of Yakima has started building a home on his new land in the Owyhee. Upon its completion he will return to Yakima for his family.

Mr. and Mrs. Charles Bradley spent Thursday in Boise on business. Bob Cox has commenced work on a basement preparatory to building a new house.

STARTS "FIX-IT"

SHOP IN NYSSA

O. W. Rice, who opened the old railroad station at Arcadia 34 years ago, is back in Nyssa and has opened a "Fix-It" shop across the railroad track from the depot. Mr. Rice was amazed at the growth of Nyssa since he left this section many years ago but nearly every day he renews an acquaintance with someone he knew years ago.

Besides operating a general repair and mending shop, Mr. Rice expects to re-build furniture, mattresses; do upholstering and other jobs requiring skilled fingers and special tools.

From 1900 up to 1934 the leaf tobacco used for cigarettes increased from

13,084,037 lbs. to

326,093,357 lbs.;

an increase of 2392%

**It takes mild ripe tobacco
to make a good cigarette.**

During the year ending June 30, 1900, the Government collected from cigarette taxes

\$3,969,191

For the year ending June 30, 1934, the same taxes were

\$350,299,442

an increase of 8725%

—a lot of money.

**Cigarettes give a lot of
pleasure to a lot of people.**

**More cigarettes are smoked today because
more people know about them—they are better advertised.**

But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

**Chesterfield is made of mild, ripe tobaccos.
Everything that science knows about is used in
making it a milder and better-tasting cigarette.**

We believe you will enjoy them.
