STUDENT BODY NEWS

A regular student body meeting was held Friday November 15. A business meeting was held. Paul Johnston taking charge in the absence of Raymond Holly the president. It was announced that the Juniors had all bought their student body tickets. Students were told to use the back door of the gym, so as not to track the floor, on which lines have been freshly painted. At the close of the meeting the Lettermen gave a very entertaining program. Many students were surprised at some of their talented singers and dancers.

AROUND SCHOOL

Well, school paper here is the chance for the Juniors to say goodbye for another year. Next week you will be taken over by the Seniors. We Juniors have certainly enjoyed working for you, and hope you have enjoyed having us.

The boys initiated into the Lettermen's club last Friday afforded the rest of the students a good laugh. Dressed in short pants and all the trimmings, they were unable to speak to the girls; but they got around that rule in one way or another.

Algebra III students are getting into the tough part. Many students have expressed a desire to drop out, but as yet we have all those who started with us at the first of the year.

The CCC boys are going to occupy the high school gym once or twice a week, for athletic training. They are also going to play games with the high school team, to give them more practice.

A dance was given last Friday night by the Lettermen. The gym was decorated in blue and white, the school colors. Many students were present. Music was furnished by Helen Enebeck, Mable Hearron and Loren Prawitz.

The High School Play, "Look Out Lizzie," is to be given Friday, November 22. It is the first play of the season, introducing some of our most capable actors and actresses. Everyone is urged to come and enjoy a full evening of laughs and fun.

G. A. A. NOTES

Class teams have been practicing basketball together for the last two weeks. The tournament will probably start next week.

There has been a good turn out from all classes in basket ball this year. Every class will be represented by at least one team, and some have enough out for over two teams.

Girls basketball practice has been broken up the last two weeks, girls in the school play, "Look Out Lizzie" and girls practicing for dances, for the Choral Club Cantata, have not been able to be there all the time.

The biology class has been drawing crawfish from real ones during the past week.

The boys are intending to start basketball this coming week under the coaching of John Young.

During this week John Young has been putting his basketball charges through "skull practice" in preparation for a bigger and better team. About forty-five have signed up, and it will probably be necessary to divide them into two groups.

W. C. T. U. WILL HOLD PEACE MEETING DEC. 3

At their next meeting, December 3, the W. C. T. U. are planning a program in keeping with "Peace Day." The meeting will be held at the home of Mrs. C. Klunkenberg in the evening and is open to all members and friends of the W. C. T. U. The program will be followed by a lunch and social time. Mrs. Arvilla Fauchier will be assistant hostess.

The local union met Tuesday afternoon at the Community church with Mrs. Josie Douglas as hostess. Mrs. Fauchier gave a report of her visit to the state convention a Corvallis. A report from their cooked food sale held last Saturday shows a substantial profit. The union is also selling apple butter at 25c a quart.

KOLONY BOOK CLUB MEETS WITH MRS. HOLLY

Mrs. John Holly of Adrian entertained the Kingman Kolony Book Club Saturday afternoon. The program was under the direction of Mrs. Ada Haworth, who read letters from her brother who is touring the New England States. In these letters he described the interesting places he has visited. Guests were Mrs. Dan Holly of Adrian, Mrs. Victoria Schweizer of Owyhee and Miss Harriet Ahearn of Ontario. Mrs. Holly served a lunch at the close.

SELLS FIRST CLASS TURKEYS FOR THANKSGIVING

Mrs. Betty Forbes was very pleased with her recent sale of 401 turkeys sold to the Idaho Egg Producers. Out of this number there were no birds with crooked breasts, all going as prime birds. She also received word that her onions exhibited at the Portland Exposition took first place. They were of the Spanish Sweet variety and two sack of Forbes onions and one from a Vale grower were exhibited, with the three sacks winning first, second and third prizes.

WHAT I SAW

I saw the work done on street corners of Nyssa by Don Conklin. Fine!

I saw the new hymn books at the Community Church, said to be the best published in America for young and old.

I saw some rough places, very rough, on the streets of Nyssa. They need filling with gravel. One place north of the school building where the highway crosses the road going west needs attention. The approach to the highway should be filled in.
