Knot Hole News

GREETINGS FRIENDS: The latest definition of home is "The place where you can scratch any place that itches."

-KNOTS-

Yes having your own home is a great thing, and we are prepared to help you plan your new home and can furnish you modern building materials.

-KNOTS-

Co-ed (shopping)—"Where can I get some silk covering for my settee?"

Clerk: "Next aisle and to your left for the lingerie department, Miss."

It takes a real old timer to recall the time when "U. S. Grant" in headlines referred to the soldier and statesman and not to some new governmental project.

-KNOTS-

And it takes a real old timer to remember back when we had such a cold February, and threat of a coal shortage. Better order a ton of that good Aberdeen coal right away.
