Students, Don't say "I can't" a person who says "I can't" is usually the one who doesn't care. Instead say "I'll try" and I'm sure you will prosper.

Really a person who wishes to do a thing badly enough, no matter how hard the task may be, will succeed. Of course he will have many hardships to battle with. He may not be able to see his way clear at times, perhaps in financial means, or in some other way, but he does not give up. A determined person never gives up!

You hear the teacher ask a student a question. The reply is "I don't know." Why did he give such an answer? In nine cases out of ten, the reason was because he didn't care, he wasn't interested in the subject enough to find out before class. The student may say, "Well now was I to know the teacher was going to ask me such a question?" The teachers usually stick to the assignment in the text book. When a person reads his or her assignment, if there are some things he does not understand—perhaps just a minor detail or the meaning of some word—look in the dictionary and see what Mr. Webster says about it. There are many other books you may refer to. So students learn to do our school work well; and after your school days are over, you will naturally succeed in other things. And also remember the ambitious and determined person is the one who wins his way to fame!

—S— GIRLS ATHLETIC NEWS

The date for the G.A.A. tumbling and dancing program has been set for March 6.

The G. A. A. members are planning a program to present before the Student Body Friday.

Last Thursday after tumbling practice the new G.A.A. members seemed to dislike the thought of sitting down. No, they didn't get hurt tumbling, just the effects of wooden paddles.

The following girls, Alyce Hashitani, Evelyn Haworth, Virginia Miller, Isabele Sarazin and Ruth Edwards received their G.A.A. sweaters Tuesday. There is no need to say that these girls are the happiest girls around school.

—S— AROUND SCHOOL

You can tell the one who loses by the company he chooses, and the bob sled turned and quickly glided away.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy.

A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help.

This treatment will succeed with any child and with any adult.

Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the house.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.

And there in the snow were the whole gang: the pilot, Bob Leuck; and the passengers, Colby Poage, Frank Pierson, Harold Anderson and Raymond Graham. How about it, boys, couldn't you stick?

Arthur Cook says the scratch under his eyes came from a cat scratch, but cats don't have claws a quarter of an inch wide.

Where did Arnold Slippy get that nice big shiner? You might ask "Red" Rust.

Last Friday the members of the Freshman Class received a very pleasant surprise. In celebrating Valentines Day, Joe Robertson treated everyone to a candy bar. Now the Freshman are advocating a weekly Valentines Day.

Further investigation of a report Bob Leuck gave in English class will be carried out by Bob's classmates.

Four of the Senior's attended "Mid-Winter Institute" at Payette last week end.

Seniors will soon know their rank in knowledge as the "I-Q" and "Achievement" tests will be given next week.

Who's the Sporty Guy coming down the sidewalk? Inquires Alice. As he comes nearer, we discover, it's Bruce Fahrney.

There are a few girls in High School to whom the term "I can take it" applies. For instance Bonny Matlock continues wearing anklets through the wintry weather; Ruth Edwards can keep late hours, come to school and make high marks; Vivian Patterson can survive a spill on the ice.

There are three distinct platinum blonds in High School—guess who? Six weeks exams are coming in full force!

SHEAVILLE

The stages are again running on regular schedule after several days of delay by snow.

Mrs. Alford Ditton went to Caldwell Monday on the stage, returning Wednesday with the car. Mrs. Kate Ditton and Janet accompanied her. They have been quarantined with chickenpox at Caldwell.

Miss Doris Bryant and pupils entertained a few of their friends with a Valentine party Friday.

Henry Masonholder spent the week end with home folk.

Mr. and Mrs. R. Strode and children were Sunday guests at the McConnell home.

Jack Payne who has been staying with Don Stults the past week returned to town Monday.

(Too late for last week)

The ION road between Sheaville and Jordan Valley was closed last week from Thursday afternoon until Sunday by the storm Thursday. The snow plow broke down and they had to send to Baker for repairs. The mail was taken in with teams and all travel was held up until Sunday afternoon, when a crew of stalled motorists from each way went out with shovels and opened the road. The road crew was back on the job Monday, and have been running a day and night crew to clear the roads.

Don Stults hauled the mail and passengers to town during the time the stages could not get through.

Fred Haylett and Don Stults have been helping on the snow plow, while they were working double shift.

The ION grange was unable to hold their meeting on Friday, February 7th on account of the storm.

The Townsend debate will be held February 21st. Mr. and Mrs. Virgil Johnson, Mr. Chas. Lanning, Erwin Brewer of Arcock and Dave Kent of Ontario, were all night guests at the Haylett ranch while the roads were blocked.

NEW MEMBERS TAKEN INTO AMERICAN LEGION AUXILIARY FEBRUARY 6th

The American Legion Auxiliary held their regular meeting Thursday evening, February 6 at the Parish hall. Two new members were initiated, Mrs. Merle Johnson and Mrs. Edith Bailey. After the business meetings the members of the Legion Post joined the Auxiliary for a social hour. Hostesses for the evening were Mrs. Sid Burbidge, Mrs. Edith Bailey and Mrs. Archie Howell.

The meeting for February 20th has been postponed as members of Nyssa Post and Auxiliary together with the Vale Post and Auxiliary are to be guests of the Ontario Post, who have planned a very interesting evening.

Marbles are all the rage at the Kolony school at present. During recesses and noon hours the school grounds are full of little groups of boys and girls too, playing marbles. Even heavy snowfalls do no matter them as a broom is always handy with which to sweep away the snow.

Mr. Hewitt, teacher of the upper grades is offering prizes in a marble tournament to be held about March 1st. Tournaments will be held to establish the "marble king" of the school, also champions of the "bull ring," "small pots" and "purgatory." A prize will also be given for the best sportsmanship.

OREGON TRAIL P. T. A. WILL OBSERVE FOUNDERS' DAY

Oregon Trail—At the next meeting of the Oregon Trail P. T. A., on Friday evening, February 21st, Founders Day will be celebrated. The most popular form of observance of the national birthday is having a large birthday cake with a candle representing each year. This year the candle lighting ceremony will be used. Afterward the birthday cake will be sliced and sold to those present. The proceeds are sent to help pay state and national expenses. A special invitation is extended to the newcomers of the district to come and get an idea of the work the P. T. A. is doing. Mrs. P. C. Holmes will have charge of the special program following the business meeting. Musical numbers will be furnished by the Nyssa Civic Chorus and will include solos by Mr. Reberger, Malcolm Crawford and Mrs. Roy Kendler and a trio by Mrs. J. W. Poage, Mrs. Laura Fisher and Mrs. Kendler.

Last Wednesday evening Mrs. R. W. Holmes was hostess at a pinocle party. Two tables of cards were in play. Mrs. F. G. Holmes held high score for ladies; John Bowen high for men and Mrs. Bowen and F. G. Holmes had consolation scores.

Johnnie Hearnson stayed a few days last week with Mr. and Mrs.
