BRAIN TEASER

FOR PUZZLE FAN

Here is a little exercise in arithmetic for you to figure out. If you know of any puzzles that can be printed, send them to the Journal so we can all share in the fun.

What year did you quit school?
How many years ago was that?
What year were you born?
How old are you this year?

3872

If the answer isn't exactly 3872, it shouldn't be off more than one.

Effects of New Ideas

New conditions are ever calling forth new ideas, and truths may become untrue.
