Mr. Whisenand is a cousin of Mrs. Chritton and owns the land on which is located the town of New Deal. New Deal is located close to the Fort Peck Dam. Mr. and Mrs. Chritton and their guests motored to the dam Sunday afternoon.

Mrs. Carl Quackenbush and three children of Spokane are visiting her parents Mr. and Mrs. Tom Lowe at Mitchell Butte Hot Springs.

Mr. and Mrs. Bert Strum and Bert Jr., visited the Tom Lowe family. The Strums were on their vacation drive which is to take in the parks of five states. Mr. Strum is now a wholesale produce man in Toppenish, Wash. He is a foster son of the Lowes.

Mrs. J. P. Dunaway of Boise was a guest of the Kingman Colony Book Club which held their June meeting with Mrs. Tom Lowe at Mitchell Butte.

The Owyhee river can be crossed now at Mitchell Butte, the first time since the snow began to melt in the spring.

OWEN PRICE AT U. OF O. SUMMER SCHOOL IN PORTLAND

A letter from Owen Price, Nyssa teacher, says he is attending summer school at the University of Oregon in Portland. Incidentally he asked to have his paper sent to Portland so he can keep up with the news around town and see how the ball team is making out. He says he saw Portland take two games from San Francisco Sunday, making 12 wins for Portland out of the past 14 games.

IDAHO POWER COMPANY'S

1935 TAXES WERE

\$920,000.00

YOUR ELECTRIC SERVICE DOLLAR

Taxes take 22c of every dollar you pay for Electric Service YET, OUR RATES ARE AMONG THE LOWEST

This is tax-payment time, and no other electric company in the United States pays out in taxes as large a percentage of the money it takes in as the Idaho Power Company. In 1935, out of every dollar we received from our customers for electric service, about 22c was paid out in taxes. In many of the communities we serve, we are the largest single taxpayer. Our 1935 tax bill amounted to \$920,000.00.

This huge sum of money went to maintain useful and necessary public services such as the schools, fire and

police protection, to build roads, to maintain parks, and to support city, county, state and federal governments.

In terms of tax-cost per customer this amount of \$920,000.00 means that for every customer on our lines we paid \$23.00 in taxes.

Yet, in spite of the fact that we are the highest taxed electric utility in the United States, our customers enjoy electric rates among the lowest in the nation. The reduction in rates made on April 6th of this year was the 20th reduction since 1927.
