

CLEVER ENTRIES FEATURE "CLIP AND CHUCKLE" JOURNAL CONTEST

Very clever entries were a feature of this week's "Clip and Chuckle" contest, and the judges had a very hard time picking the entry they considered best. After considering all the entries carefully, they selected the entry of Miss Leona Linger for first prize. Her entry read:

Old red-roan heifer with tag in ear, and son spent the week end in the Journal contest and came close to being winners of sports and a dance in the evening.

Three more entries were very close to the top, and the judges rated them as Honorable Mention. Winners of honorable mention were Mrs. W. C. Jackson, Allan White and Mrs. W. H. Beam.

Mrs. W. C. Jackson took her scissors and paste in hand and fixed up the following:

As proof of this statement he said motorists who believe themselves all officers, including the musician, shall be frank and call a spade a scheme to get the subscriber in.

Then Allan White got busy and sent in the following:
Old red-roan heifer with tag in ear

weighed 10 lbs. and has been weeks recovering sufficiently to take 4 cups apricot pulp, 2 cups apple Filler up.

Mrs. W. H. Beam is the author of the following:
Swan's Bread is made of petrified trees and other objects can poison the system when retained in luxurious comfort at less cost than driving your own car let us serve you. Conoco gas.

A few of the entries had to be discarded for the same fault as last week—failure to use the line just as it appeared in last week's Journal. You cannot use parts of two lines to make up a line for your entry; simply take a line from the Journal just as it reads and combine five of them into a paragraph that reads smoothly, yet is ridiculous. Another contest will be held this week, closing at six o'clock, Wednesday, July 29th.

Other entries had to be discarded because they did not conform to the rules regarding a paid up subscription. If your subscription is behind, you must bring it to good standing before it can be considered for the cash prize. You can find how your subscription stands by looking at the label of your paper.

Other Good Entries

The judges picked out several other contest entries as being worthy of publication. For example, Lois Ellen Enos got her scissors and cut outlines to compose:

Several farmers are cutting their meeting of the Malheur County occasion being Mrs. T. T. Elliott's severe attack of stomach trouble watch your kidneys!

Five lines sent in by E. Strickland read:
Nyssa Eagles Rodeo to Vale to play CCC baseball and overturns kitten ball team.

Then there was the entry Lucille Thrasher sent in reading:
Rodeo Queen to start harvest of Thursday 'idge club lost at the Dalles.

Mrs. J. Edw. Wolfe, sent in a clever entry:
Unless present plans are altered Bob Millar must stand up and without breathing start a political argument every so often.

Mrs. Chas. Bradley sent in:

Slab wood makes mighty good hospital in Boise as the result of an ache, dizziness scanty or two frequent delicious meals temptingly served at low cost Filler up.

Margaret Pinkerton went to considerable trouble fixing up her entry which read:

Nyssa is particularly fortunate in having a ballot held by the Journal to pick ten cattle in the feed lots. We would humbly take the risk. Don't delay another day. See Nyssa Business and Professional Directory.

Thelma Leuck picked her entry from ads, editorials and news stories and it reads:

Every so often all sizes of tree limbs and patches petrified trees and other objects can suggest that farmers of this district watch the Kansas City man.

Lester Keizer joined in the sport and figured out the following:

Dr. and Mrs. C. A. Abbott the H. E. C. club of Big Bend grange will pick peas.
The boys were taken to the Nyssa Mayor—Don Graham.

Mrs. Dean Smith worked out a clever entry reading:

Notice is hereby given that the Swan Bakery Parents of an 8½ pound girl born and is now awaiting call for duty in Bank of Portland Nyssa branch.

Mrs. Charles Chritton had a good entry last week and she sent in a good one this week:

Don't kid me, said the cop New Honey Needs special care and we are on the old job Swam and son.

LINCOLN NEWS

Miss Kathryn Neilson returned home Saturday from La Grande where she has been attending normal school for the past year.

Miss Agnes Redsell returned home Tuesday. She has spent the past two weeks at the Albert Larson home on Porters Flat.

The Misses Mae Haines and Retha Gillford were callers at the Whit Redsell home Tuesday.

Mrs. Ed. DuPre and daughter Thelma and Miss Mae Fenton were callers at the Rogers home Tuesday. Many from this community attended "The Connecticut Yankee" in Ontario.

Miss Mae Fenton is a guest of Thelma DuPre this week.

NYSSA LOSES SOFT BALL GAME TO PAYETTE 2 TO 1

It was an interesting game of soft ball played at Payette Friday night, with the locals taking the short end of the 2 to 1 count. The Payette team scored in the 2nd inning and again in the last frame of the 7th inning struggle. Burkey scored Nyssa's lone tally in the 6th inning. Both teams played real ball, and in the entire game only 26 Payette men were at bat and 27 for Nyssa, making an average of less than 4 men to face the pitcher each inning. A perfect game would be 21 men at bat for each team in the game.

Nyssa was represented on the mound by Dick Adams with Max Gilchrist doing the receiving. Other players were Burkey, Andrews, Doolittle, Young, Reberger, Ramsey, Milliken and Burke. Guy Sperry acted as manager. The team expects to play a return game at Nyssa in the near future.

IDAHO-MISSOURI PICNIC TO BE HELD AT WILCOX PARK, AUGUST 2ND

Owing to the fact that there are now no picnic facilities at the Weiser Park, the 1936 Idaho-Missouri picnic will be held at the Wilcox Park according to information given out by D. L. Carter, president of the association. The Wilcox Park is located on the highway between Payette and Fruitland and at the junction of the Ontario highway. The date of the first Sunday in August.

the 2nd, has not been changed. All former Missourians (whether they live in Idaho or not) and their families are invited to attend. Bring your lunch. Ice cream and coffee will be furnished. A lunch will be spread at 1:30 sharp. Following the lunch there will be a program of speaking and entertainment.

CALDWELL MAN DROWNS AT LOST LAKE RESERVOIR

George Franklin, 75, long time resident of Caldwell was drowned Sunday while fishing at Lost Lake

reservoir near Tamarack, Ida., when a raft from which he was fishing tipped and threw him into the water. Huston and Franklin were fishing on a raft a short distance from the shore in about 10 feet of water. Franklin apparently became dizzy as though effected by the heat, lost his balance and as he fell toward the water, Huston grasped him by one leg. Franklin thrashed frantically around in the water, broke loose from Huston and got under the raft. Huston and Franklin were former partners in the Franklin Cigar Store in Caldwell.

CONGRATULATIONS To THE CITY OF NYSSA

... For Building The New Sewer With Concrete

Nyssa has built for permanency and we congratulate the city for selecting concrete for their sewer lines. They will endure as our slogan suggests, "Permanent As The Pyramids."

By selecting concrete, Nyssa has assured itself of a sewer system that will be trouble-free, efficient and enduring. Already we have furnished over 6,000 feet of sewer pipe and before the connections are made, over 8,000 feet of concrete from our plant will be in the system.

We feel that by selecting concrete for the Nyssa sewer, the city is to be complimented for using nothing but the best and that it's faithful service through the years will build good will for our concern.

Concrete has many uses and we urge you to follow the lead of the City of Nyssa in selecting CONCRETE for your own uses.
