People wonder why we are shipping supplies from foreign countries. Well, our President is going to help the farmers in foreign countries and make bums of the farmers in U. S. A. and Roosevelt's bonus must be fed.

There are more people on the relief than there are on the Townsends. If the relief wins and F. D. R. is re-elected, we will have to make a run for the relief, and when we have wore our credit out in Wall Street and our credit is no good in foreign countries, we can take the bankruptcy and square all accounts and pull off our coats and go to PHIN WARREN
