KLINKENBERGS ENJOY TRIP TO WASHINGTON

Mrs. C. Klinkenberg and son Gilbert have returned from a very enjoyable 11 days trip to Washington. They drove to Olympia, by way of the McKenzie Pass to visit with Mrs. Klinkenberg's parents Mr. and Mrs. W. D. Sumpter. While there they also visited with her niece, Mrs. Mrs. C. E. Lewis and family. In Tacoma they visited the J. K. Klinkenberg family, brother of Mr. C. Klinkenberg. They made several trips to Seattle and among the highlights of their trip there was seeing the streamline ferry, Kala Kala, which travels from Seattle to Bremerton. This ferry is large enough to hold 105 cars. They saw the huge liner, Ruth Alexander in port but did not go on it. At the Seattle air port they attended an air plane exposition, with planes there from all over that section of the country, and saw the mail and passenger planes take off for Los Angeles.

On their return trip they came through Kent, Wash., and visited with Mrs. G. Campbell and her daughter Mrs. Chester Sager; and with the Emil Johnson family, all of whom are former Nyssa residents. The Klinkenbergs, accompanied by Mr. and Mrs. Sumpter, who returned

BASS-HUETER PAINT

Don't Pay Paint Prices for Water

Paint that is "cheap" is over-burdened with volatile solvents or with water—often with both. These ingredients are valueless and take the place of oils and pigments that are essential to the long life of paint film. Good paint is 90% film-forming oils, pigments and color, 10% turpentine and drier.

When you buy Bass-Hueter Mixed Paint you buy quality and save money. It requires fewer gallons and less frequent repainting—therefore less cost in labor. Its fresh western colors are durable. Buy from us.
