Blocks and Tackles

Nyssa was routed Saturday by the strong Weiser outfit, 53 to 0. Weiser ran up touchdowns almost at will, outweighing and out-foxing the local eleven. Weiser is hardly a fair comparison with the Nyssa team, being easily 20 pounds to the man heavier and with a team of veterans practically cinched for the championship this year.

The dope favors Vale in the annual Nyssa-Vale game to be played tomorrow on the Vale field, but Nyssa might perform an upset here if they get hopped up enough. Vale appeared stronger earlier in the season than they do now. They dropped another game last week when Emmett defeated them 13 to 0.

Although losing to Baker 15 to 6 Saturday, Ontario displayed considerable power, and the score was nothing like the 71 to 0 trackmeet.

JOHNSON VARIETY

score handed Nyssa by Baker. Ontario and Nyssa play here on Armistice Day. Another game has been scheduled to close the season when Payette and Nyssa tangle on November 20th. Both teams have had bad luck this season, and have lost a majority of their games. However Payette did show something Friday when they handed Parma a 7 to 3 defeat.

The College of Idaho performed something like an upset Friday night when they held Whitman to a 7 to 7 tie score. The game was played under the lights in Walla Walla and dedicated the new stadium in Walla Walla. Boise Junior College and the Idaho freshman team fought it out for four hard quarters with the Boise team gaining a 2 to 0 verdict.

Some educators claim, and the movement seems to be spreading, that some day in the not too distant future, football competition between different high schools will be done away with, and all games will be between local players. Personally we can't vision this, but of course it is entirely possible. Reason for the change is the charge that interschool football competition is too strenuous for the young boy.

Mr. and Mrs. Al Thompson and their daughter Mrs. Ralph Beutler were Boise visitors Friday.

HUNTERS HAVE BAD LUCK ON RETURN TRIP

Jack McKee is home from school this week with an injured leg and W. S. Jones is going around on crutches on account of an injured hip, as an outcome of an accident which happened Saturday night about two miles this side of Brogan. They were returning from a hunting trip when blowout in a trailer tire caused their car to leave the road, turning over twice before it came to a stop. Mr. Jones and Jack were riding in the back seat of the car which belonged to Mr. Jones when the accident happened and were the only ones hurt. Leonard and Junior Jones were the only other occupants. Mr. McKee went up after the car and Charlie Jones went and got the men. The injured were given medical attention here and it is thought that their injuries will not prove very serious.

Save Existing Safeguards

THE PROPOSED constitutional amendment titled "Amendment Forbidding Prevention or Regulation of Certain Advertising if Truthful", would, if enacted, invalidate all existing laws controlling misleading, deceptive, indecent and even fraudulent advertising. It utterly fails to replace these present enactments with adequate safeguards against vicious advertising practices.
