This tie will be decided tonight by lot at the regular meeting of the council.

A. R. Millar ran away for reelection as city Recorder, getting a vote of 219 to 113 for Mrs. Beam. Lewis Wiltshire was elected treasurer without opposition.

The new councilmen will not be sworn into office until the first meeting in January. Members of the council at the present time are Al Thompson, Dean Smith, A. C. Norcott and Dick Tensen.

Tailor Shop Has New Equipment

Shop Is Now One of the Best Equipped in Eastern Oregon.

The Nyssa Tailor shop, which is operated by Mr. and Mrs. Don Morgan, have been busy this week installing new equipment which places them in the front rank in cleaning establishments. They will not only be able to give continued high grade cleaning, but they can now give quicker service. The type of equipment installed compares very favorably with equipment in some of the larger cities. Including in the installation is a new type washer, and a centrifugal drier; along with a clarifying system which keeps cleaning fluids in first class condition. The garments to be cleaned are subjected to a steady flow of cleaning fluids and within a short time can be taken out ready for the drier.

The drier is a large steel cabinet, with live steam piped through and a ventilating fan. Garments can be dried in around 45 minutes with the new equipment.

Miss Katherine Leuck arrived home Wednesday evening from Eugene, having been called by the death of her sister Miss Thelma Leuck.

Dr. Sarazin Is Taken For Ride

A royal welcome awaited Dr. J. J. Sarazin when he stepped off the train Wednesday evening after a trip to Michigan. Several of the leading citizens were there, with the fire truck standing ready, as Frank Edwards presented the doctor with a huge bouquet of ripe sunflowers, the group escorted Nyssa's leading Republican to a choice seat on the fire buggy.

The trip through town created a huge wave of excitement, as everyone rushed to the street, attracted by the siren, and watched the procession go by. Seated in the place of honor was Doctor Sarazin, holding the faded sunflowers in a tight grip and smiling a typical Roosevelt smile.

We cannot say the doctor was exactly surprised at the unusual welcoming committee. A telegram sent (collected) earlier in the day had forewarned him that things were not at all settled and that his presence was needed in Nyssa. The first words of the telegram must have warned him that things were very bad when he read: "Hurry back, country gone to h - - -", Frank Morgan. "Meet you at train with ambulance" Jess Thompson. These and similar condolences, signed by several dozen Nyssa people, caused Doc to pounce up a perfectly good five dollar bill to see what the mysterious collect telegram might contain.

The doctor could not be reached for a statement today, but it is said on good authority he has been in conference with himself all day trying to figure out if the G.O.P. machine is worth repairing.

HOBO HAS PLENTY TO WORRY ABOUT

A hobo who failed to give his name, jumped in a big steel railroad car at Notus but things didn't work out like he planned. The door slammed shut and the pin dropped in the lock. Mr. Hobo was a very much worried man, to say the least. Mr. Johnson at the Nyssa Elevator heard some vague pounding coming from somewhere and after it had continued off and on for an hour, he investigated. Finally he located the noise as coming from the car, and released the man. It was a very much relieved Mr. Hobo who jumped out of the car. He had been there all day and didn't know where he was.

Close Race For County Superintendent Results In Claypool Victory.

After trailing in the early voting, Mrs. Kathryn Claypool picked up several nice blocks of votes in outlying precincts to win over Albert Hopkins in the race for county school superintendent. It was the race watched with closest interest, the count being at present 2127 for Claypool and 2027 for Hopkins, with the vote of Banks and Malheur not figured in the calculations. The vote in these precincts is small and will not change the final results.

All the county officers were re-elected in the voting Tuesday, although the margin was small in many cases. Orrin Currey, who lead the veteran legislator Virgil Staples almost to the last, finally was nosed out by his Republican opponent by a count of 1924 to 1975 in 34 precincts out of 37.

Judge David F. Graham won reelection as county judge, the count being 2222 for Graham and 2028 for Beers. Sackett has a safe lead over his Democratic opponent in the race for county clerk, the count being in 34 precincts out of 37, Sackett 2186 and Looney 1923.

Peterson won the job of commissioner over Molenaar by a narrow majority, the vote was Peterson 3048 and 1940 for Molenaar, Murray Morton piled up an early lead over his deputy, Jean Burrelle, to go ahead and win re-election as assessor. Chas. Glenn was re-elected sheriff over his Republican opponent by a big majority.

White Carries County

Rev. Floyd White of Nyssa, running as a Townsend backed independent carried Malheur county in the race for state senator by 11 votes in the tabulation up to date, but lost both Harney and Grant to veteran Bob Duncan of Burns, present state senator.

All of the precincts of the county are included in the totals except Banks, Malheur and Crowley precincts; which were not reported as we go to press. The total registered voters in these precincts is 99 and the returns are not expected to effect the final results.

A complete tabulation of vote by precincts may be found on page five of this issue.

Re-Elected

JUDGE DAVID F. GRAHAM

Thelma Leuck Passes Tuesday

Funeral Services To Be Held Sunday From Community Church.

Nyssa was saddened Tuesday by word of the death of Thelma Anna Leuck, 30, invalid daughter of Mrs. Frank Leuck who passed away at 5:10 Tuesday evening. Thelma had been in poor health all of her life, but had endeared herself to all who knew her by her cheerful and helpful disposition. She had a bad spell Tuesday morning, but was feeling better at noon. During the afternoon she had another heart attack from which she did not recover.

Funeral services will be held Sunday afternoon at two o'clock from the Community church with Rev. White in charge of the services. Interment will be in the Nyssa cemetery, with the Nyssa Funeral Home assisting with the arrangements.

Thelma Anna Leuck was born on May 28, 1906 at Wakefield, Nebraska and came to Nyssa 25 years ago with her parents. Her parents farmed for a time here, and later run a blacksmith. Her father passed away March 28th this year. For a time Thelma worked in the local telephone office.

She is survived by her mother, Mrs. Frank Leuck; five brothers, Harry who is in the navy and is stationed at Pearl Harbor, Honolulu; Hubert, also in the navy at San Pedro; Charles, Norval and Robert, all of Nyssa. There are also two sisters, Katherine attending the University of Oregon at Eugene and Luella, a student in the Nyssa high school.

Freeze Damages Lettuce Quality

Colder weather swept down on the Nyssa section this week, with a low mark of 8 degrees above registered Monday night at the reclamation office here. Sunday night the mercury dipped to 18 above but it warmed some Tuesday to a low of 29 and Wednesday night it fell to 26 above.

Freezing weather is having a bad effect on the lettuce crop and the P. H. Hogue plant hasn't turned a wheel this week. Warmer weather, such as experienced today, and if it continues, will enable the lettuce harvest to proceed, although the quality of the crop has been damaged. Before the freeze lettuce from Nyssa was topping the New York market, even above the famous Salinas, California quality. With the quality and shipping qualities impaired, it will be necessary to keep out of the highly competitive markets with Nyssa lettuce, shippers say. No estimate of the damage done by the freezing weather has been made, but it will amount to several thousand dollars, even if the weather does permit the harvesting of the balance of the crop.

MORGAN APPOINTED BY GOVERNOR TO ATTEND RECLAMATION MEETING

Frank T. Morgan has been appointed by Governor Martin to be one of those to represent Oregon at the meeting of the National Reclamation Association, which is to meet in Spokane on November 23 and 24.

Malheur County Joins Parade of Voters for Roosevelt.

Roosevelt was re-elected in Tuesday's balloting by an all time high for electoral majorities. Only two states, Maine and Vermont, with a total of eight electoral votes went for Landon and Knox while Roosevelt and Garner collected 523 votes. The new deal popular plurality will reach around 9,000,000 as the final returns drift in. Lemke failed to be a factor in the election, polling less than half million in the popular vote and never even coming close to carrying any state.

In Oregon Roosevelt received approximately a two to one majority, gathering 154,080 votes to 78,623 for Landon out of 1225 precincts reported. In Malheur county Roosevelt received slightly more than twice the popular vote.

McNary Ahead

In the race for U. S. Senator, McNary has a lead of approximately 7,000 votes over Mahoney, Townsend backed candidate. One of the strange features of the senatorial contest in Malheur county was in Jordan Valley, which gave Landon a majority but failed to cast a vote for McNary. McNary's attitude on the ION highway has been given as the reason for Jordan's vote.

Pierce Re-Elected

Malheur county gave Congressman Pierce a good majority over Rittner. Vote in 309 precincts out of 409 gave Pierce 35,975 and Rittner 17,293.

Holman Out in Front

For state treasurer, Rufus Holman has a safe lead over Burt, the report being 128,621 for Holman and 92,703 for his Democratic opponent. Van Winkle triumphed over Dobson in the race for attorney general, gathering 113,095 votes to Dobson's 97,120 out of the precincts reporting.

Democratic Congress

Returns from other states indicated today that a record-breaking democratic majority would be in the saddle in both houses of congress. In the senate the democrats were assured of 67 seat and were leading in eight other contests. The republican were certain of only 14 but were leading in three states. Last session 70 of the 96 members were democrats.

For the house side, 263 democrats have been definitely elected compared with 54 republicans. A continuation of the present trend would give the democrats far more than the 321 seats they occupied last session. Total house membership is 435.
