"With malice toward none; with charity for all . . . let us
strive on to finish the work we are in; to bind up the nation's
wounds; to care for him who shall have borne the battle, and for
his widow, and his orphan—to do all which may achieve and cher-
ish a just and lasting peace among ourselves, and with all nations."

END OF SEMESTER—

Pupils have been making use of the skating pond despite the snow that insists on covering it. Prospective skaters seem to be quite evident.

All teachers have been busy during the last week making out and giving semester exams.

Mrs. Haworth has been staying in town the last two weeks because of illness.

AROUND SCHOOL—

Students are bringing skates instead of lunches. Too bad skis won't fit in a paper bag.

"Amos is skeered a' girls" fits a lot of freshmen especially "Shrimp Dooley" Oh yeah!

The "Readers Digest" says "There used to be some things people could not talk about, now they can't talk about anything else." The Clives students talk about everything from insane asylums to pygamas and Laps.

Snappy parade marches to the furnace room led by Mickey Hite. Parade leaders are the honored guests so Mick used the furnace door as a hot water bottle.

Jack Farmer is interested in a girl! Don't get excited it just the "Queen Mary."

Irene Poage seems to be doing grand flips but seldom lands on her feet. Anyway she intends to persevere, if the gym will hold up.

Bob Jackson has a new interest. In the Eskimos too and does it look serious. Wilson's aren't stocked in fur-hoods but Pete Deer might be obliging.

Mary Corn would like to be Florence Nightingale for a while all because of a (Payne).

CHILI FEED

You good folks of Nyssa who didn't turn out for the Townsend big chili feed in the church basement Tuesday evening missed a the best chili you ever ate. Mr. and Mrs. A. H. Wilson prepared the hot dish as only they know how. Chicken pie and peach and chocolate pie was also served.

Those who went home early missed a good time. The evening turned into a regular "Get Together and Community Sing. Everyone gathered round the piano and sang everything but "Sweet Adeline." Special numbers were rendered by Jewel Rice Choate, who sang "Waiting" and "Pennies from Heaven." Mr. A. V. Pruyn dug out an old college song book and sang a rollicking number.
