GREETINGS: A Nyssa collegian, home from Corvallis says that he has learned that running around with wimmin will keep you young. He started three years ago when a freshman—and he's still a freshman!

BUILD FHA WAY
That may be a good way to keep young, but the best way to keep warm is to use Aberdeen coal.

STEADY GROWTH

LIKE that of a tree, the growth of an individual, or a business, or a city must be healthy. Deep rooting, proper nourishment . . . all are necessary.

EVIDENCE of the steady growth of Nyssa is the Amalgamated Sugar Company's decision to invest here. We, who have been in business here for many years, bid you

WELCOME

We feel the beet industry will make a profound difference in the future of Nyssa and we pledge every effort in co-operation with the Amalgamated Sugar Company.
