TEAM TO LEAVE FOR BAKER—

The basketball squad will leave for Baker for the Eastern Oregon tournament Tuesday, March 2, sometime in the morning. The team going will include Paul Johnston, Frank Peterson, Raymond Graham, Loyd Wilson, Robert Wilson, Dean Byram, Stanley Ray and one other boy who has not been decided on yet. We hope the boys have a good trip and come back with the trophy for winning the Eastern Oregon tournament for 1937; but whether they win or lose we know we'll be proud of our representatives for their showing in basketball sportsmanship and general good conduct.

DRAWING FOR TOURNAMENT—

Nyssa will play Baker in the fourth game of the Eastern Oregon basketball tournament to be played at Baker. The game will start at 10:00 o'clock Tuesday, March 2. Other games to be played will be Vale vs. Union, Ontario vs. La Grande, Joseph vs. Enterprise and Nyssa vs. Baker.

The most important teams according to the Oregonian are La Grande, Baker, Union and Nyssa. Nyssa received the trophy for the runners-up last year at the tournament and won the respect of all the on-lookers by the very good example of sportsmanship they displayed.

CHOOSE CLASS RINGS—

STUDENTS MEET—

Victories and no defeats apiece. Monday, February 22. It was agreed that the yell leaders would be awarded letters at the end of the year; but they are to furnish their own suits. Other business brought up was a committee to punish students who disobey rules. The motion was made and approved that a committee consisting of three lettermen, one being Mr. Young, will punish all students needing punishment.

At the close of the meeting the lettermen gave a very entertaining program. The program consisted of "America" directed by Joe Robertson; a horn solo by Jerry Rust; a

harmonica solo by Dudley Mausing; a wrestling match between Jack McKee and Verle Landreth; a boxing match between Dan Zamora and Dick Case. The program ended with a quartet by Stanley Ray, Gilbert Holmes, Clarence Enos and Claude Patterson.

GYM STUDENTS PLAY BALL—

The gym class is now engaged in a basketball tournament. It is composed of six teams whose captains are Jack McKee, Dudley Mausing, Ted Morgan, Jim Nichols, Wilson Keck and Russell Patton. Jack McKee's team and Jim Nichols' teams are tied for first place with three victories and no defeats apiece. Henry Mitchell leads the scoring with ten points to his credit. This tournament gives all the boys in school a chance to play basketball and everyone is looking forward eagerly to the finals.

NEW STUDENTS—

There are several new students this week in school: Don Hara, a freshman; George and Kay Hara, sophomores from Homedal; Bernice Wolfe, senior from Elwood, Nebraska.

NEWS BRIEFS—

Six weeks exams are in full swing this week and many people are lamenting because of the fact that they neglected studies this six weeks.

Miss Rietle was absent from school the first part of the week. She has a serious cold in her lungs.

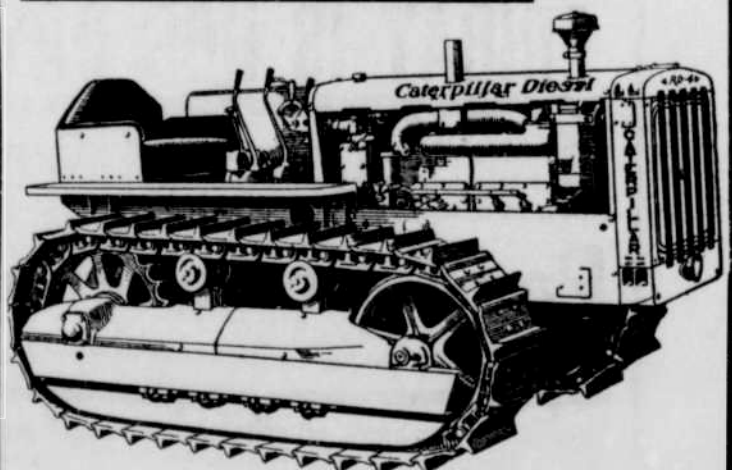

WE WONDER—

Why the bookkeeping class has been in an uproar the past week? Why Jo Burke goes home at 11:00 A. M. noon? Why the lettermen have such looks of authority on their faces? Who their first victims will be? Why Luella Lueck is attending fifth period English class as well as second.

Vancouver, Wash.
December 4, 1936.

Gentlemen:

Our "Caterpillar" is the first machine of its size to come into Clark County. It has put in eight seasons doing our farm work, clearing land and some custom work. Its ease of handling and ability to get over and through tough traction conditions, make it an ideal tractor for western Washington farms. We feel that we couldn't get along without our "Caterpillar" and we are glad to recommend these machines to all farmers.

Yours very truly,
John P. Condit.
