## CHANGES—

Notice the change March brought? Yes, we all did. The air is fresher, the ground is dry, the birds are coming back, farmers are getting busy and everyone feels grand. You have one more change to notice also. The school children eyes sparkle with delight as they come to school in new spring dresses and white shoes. Watch the school grades grow from now on.

Due to the bad roads and sickness we have let our grades slip, but we now have spring to help us. Who could help but enjoy anything they had to do now days? If teachers give a stiff assignment as they must to get in the work we lost, don't growl, just take your lesson out under the trees and enjoy the spring and lesson at the same time. Everyone will just buzz and hum at their lessons now and it won't be long until we can say "Pile it on, we can take it."

## OFF FOR BAKER—

At nine o'clock Tuesday morning the basketball players of Nyssa left for Baker to play in the Eastern Oregon Basketball Tournament. The High School students sent them off to the tune of, "Go get them, Bulldogs, Go get them."

The first game Nyssa plays will be with Baker. This promises to be a very good game with both teams having a good chance for a victory. The squad for Nyssa includes: Graham, Johnston, R. Wilson, Ray, Jackson Pierson and Byram. We hope they take the trophies.
