STUDENT BODY MEETING—

A student body meeting was held Monday March 15 with Lloyd Wilson president, presiding. A motion was made and passed that two girls who were members of the G. A. A. and Mrs. Haworth be put on the committee for Citizenship. Hinemoa Cloninger gave a talk on "Safety First in the Schoolhouse." The meeting was adjourned. After the meeting the Juniors gave a program in honor of the high school classes. A original poem by Renia Mitchell was the theme of the program. There were many laughs as the Juniors tried to present each Senior's characteristic.

G. A. A. NEWS—

The dance to be given in honor of the lettermen is definitely planned for Friday night, March 19. Do come! Students, let's all have a good time. The alumni are invited.

STUDENT BODY PLAY—

The Student Body Play "Romance in a Boarding House," is scheduled for April 1 in the high school gym. The cast is being chosen and practice will begin Thursday after school.

The story is based on the struggles of Mary Anne, daughter of a boarding house proprietor, to establish a family background of distinction. The boarders try to assist her by as-

suming roles of aristocratic foreign born relations.

Mary Anne, on a trip east, which she won in a prize contest meets Mortimer Throttlebutton, a New York playboy. Having invited his family to meet her parents, she rushes home to prepare them. The home town boy friend resents his city rival and proceeds to do something about it in a most unexpected way. The result of his action is quite a surprise in the last act of the play.

GIRLS SPORTS—

Members of the G. A. A. have been asked by the lettermen to participate in a sport exhibition for the purpose of raising money to buy baseball suits. The girls are planning a short series of five minute games and stunts as their share of the program. About thirty girls will participate, and basketball will furnish the basis of their entertainment. Their events are being prepared under the direction of the Leader's club.

BASKETBALL—

The Girls inter class basketball tournament will played off after school in the gym, beginning next week. The Seniors have a record as three year champions and are anxious to add to that record. However, the Sophomore girls have a strongly contending team and are

quite as anxious to defeat the Seniors. The Freshmen girls played a short practice game with the Junior High team and will probably play a final game sometime next week.

Any girl making a first team is given ten points toward the G. A. A. rating, while girls playing substitute positions are awarded five points. A total of thirty points is required for G. A. A. membership. Girls wearing G. A. A. sweaters have earned a total of 150 points or more.

SCHOOL BRIEFS—

Mrs. Rietie arrived Tuesday noon from Fossil, Oregon to spend a few days with Miss Rietie who is still ill with the mumps.

Five new students entered school this week. On Monday was, Carl Choat a junior, Harold Choat a Sophomore and Harry Choat a Freshman, transferring from Hanson Idaho.

Tuesday, Marie Wallace a Sophomore and Miles Wallace, a Freshman started classes here after attending school at Klamath Falls, Oregon.

Kathlyn White a Sophomore is leaving this week to make her home at Malad, Idaho. Nyssa students wish Kathlyn happy high school days in her new home.

The boys are working hard preparing stunts, wrestling and boxing for a Smoker to be held soon.

Pitchers and catchers are trying their skill this week although regular practice has not started for baseball.

Hinemoa Cloninger is moving out to the CCC camp. Poor Bob!

The poor bookkeeping students are looking so glum!

Grant Rinehart has such a wide smile of importance this week and no wonder. He's the proud father of a baby daughter. Mother and daughter are getting along nicely.

Mrs. Rosebraugh is returning home after a week in the Dixon hospital.

LaVena Phillips is absent from school due to the death of her grandmother. The student body wishes to extend their sincere sympathy.

Evelyn Haworth was taken to the hospital for treatment Saturday. She returned home Sunday, however, and is reported to be much better. She will be back next week. We'll be glad to have you back, Evelyn.

WE WONDER WHY—

Mr. Young is laying for Mrs. Haworth. Don't be angry, Mr. Young because we think Doc was a swell impersonator.

Seniors and Juniors seem to be "on the outs." The Juniors seem to

JORDAN VALLEY

By MRS ISABELLE LEE

Mrs. Averill Palmer and little son left Monday for a months visit with her sisters in northern Idaho. Her daughters are staying with Mrs. Hoy Snyder and going to school in Pleasant Valley.

Misses Ruby and Agnes Maher, who have been staying with Mrs. Averill Palmer, have moved to the W. S. Maher place for the remainder of the school term.

Miss Ellen Maher, who has been visiting her parents, Mr. and Mrs. Ed. Maher returned to Boise where she is employed at the Bell Telephone company.

Mr. and Mrs. Harold Gluck and son were shopping in Jordan Saturday.

The N bar N ranch house at Cow Creek Lakes owned by "Curly" Lodge of Caldwell, burned last Monday night. The building carried some insurance but the men working there lost their beds and clothes.

Mr. and Mrs. J. S. Conway went to Boise Friday where Mrs. Conway entered St. Lukes hospital for treatment. Mrs. Emma Wall and Mrs. Carlton Pretwell accompanied them and returned with Mr. Conway Sunday. Mrs. Conway was much better Saturday.

John Connors spent the week end in Boise having some dental work done.

Mr. W. R. Helm who has been on the sick list for several days is able to be out again.

A number of young folks from Jordan attended the dance at Cow Creek Saturday. All reported a fine time.

A. B. Azcuena, proprietor of the Jordan Valley hotel is remodeling the corner room which will be used as a dining room. The work is almost complete and Mr. Azcuena plans on opening in about two weeks.

The I. O. N. stage which has been discontinued during the bad weather plans to leave Winnemucca Monday

We Clean and TREAT SEED GRAIN

The Nyssa Flour Mill will clean and treat your seed grain with Copper Carbonate for the small sum of

What this engine means to you!

YOU'D never dream that fast freight service meant greater saving or newer styles, would you? That it really affected your home or pocketbook? Or that Union Pacific's gigantic "Challenger" freight locomotives saved you money?

Yes, that's what fast freight service means to you, and this is why it happened:

We wanted to offer the American shipper faster, more precise freight service, the kind you expect from crack passenger flyers.

We started out by buying fifty high-speed modern locomotives for main line service in 1928. Then we spent long months of experiment to set even higher standards. The result—a new type of super-powerful freight locomotive, the "Challenger," designed to handle heavy train loads at a speed of sixty miles an hour. Fifteen of these huge leviathans are now in service. Twenty-five more are being built.

These great "Challengers" enable us to maintain a speed which is 55% greater than it was in 1928

and reduced the time between Council Bluffs and Ogden—the great transcontinental speedway—to less than half of the former running time.

But more than that (and this is where you come in), fast schedules mean reduced inventories, lower stocks and replacements for stores and shops . . . enable shopkeepers to pass along this saving to you, in lower prices, because quick turnovers cut down costs and losses.

So today, when you do your shopping, buy a new suit or gown straight from a New York fashion designer, or even a tin of beans . . . your pocketbook will tell you the happy results of Union Pacific's policy of constantly planning for the future. Union Pacific always looks ahead!
