GREETINGS, FRIENDS, "How's business?" we asked an old scissor grinder the other day. "Fine," he replied, "I never saw things so dull."

There's nothing dull about the lumber business now. The nice weather has made people want to build and many wise builders know where they can get good materials!

The buxom woman was standing in the street car holding to a strap. The grouchy looking man was seated, reading. The car swung and she stepped on his foot.

"Madam," he barked, "will you please get off my foot?"

"Put your foot where it belongs," she replied sharply.

"Don't tempt me, madam; don't tempt me," he muttered.

Before you Buy This week is set aside for question asking and question answering! Before you buy ask yourself: "Am I helping or hindering my own prosperity?"

Remember to ask..

WHERE DID IT COME FROM?

The production of this area is GOOD—it is manufactured by your and my neighbor! The amount of money he, you or I receive, is in direct proportion to the sale of this production—for a sale MUST BE REPLACED with MORE production. This builds PAYROLLS and payrolls build PROSPERITY!

THIS WEEK let's start our own Prosperity Cycle. Let's know, then buy, from the grand production of this area.
