

Soft Ball Season Gets Good Start Here Tuesday Evening

Journal Team Wins From Beelers By Large Score —More Action Friday

The Nyssa Soft-ball league season opened Tuesday evening in a cloud of dust when the Journal team tamed the Beeler Boys, 15 to 4. Heavy hitting by the newboys put the game on ice in the third when five runs were scored, and again in the sixth when five more runs crossed the plate. John Bowen his a home run in the first inning with Del Taylor on base, but a threatened scoring spree was nipped when Dilley whiffed the ozone for a third strike. Bowen added further proof of his slugging ability when he hit another home run his next time up in the third, with Del Taylor and Roy Pounds on base.

The Beeler Boys displays a good fielding team but were unable to solve the delivery of Roy Warner, Journal chucker. Ed Pruyn served behind the bat for the newboys, while Alvin Kuehn and Dean Smith were battery mates for the Beelers.

Another Game Friday

Another league softball game will be played Friday evening when the Reclamation team and the newly organized Outlaw team tangle. Little is known of the Outlaw's strength, as they did not get in on any of the pre-season practice games, but are said to have a pretty swift outfit. Rev. Floyd White has been getting up the team and Grant Rinehart has been named as manager. Several high school boys are on the team, as well as ex-ball playing oldsters.

Next Tuesday's schedule brings the Beeler Boys and the Outlaws together and the following Friday the Journal and Reclamation will tangle.

Last Friday the Journal team walloped the Safeway gang of Ontario, 19 to 8 and got some revenge for a 23 to 6 licking administered at Ontario the week before. This Friday the Journal team will travel to Ontario for a return game with Safeway and Sunday afternoon will play a team of Mexican picked from beet workers here from California.

Reclamation at Caldwell

The Reclamation team has been playing in the Caldwell league, since most of the players will be residents of Caldwell after June first. Friday night they played the C. C. Anderson team under the lights and were noosed out 9 to 11.

The local games have been drawing a good attendance, and consid-

Play Weiser Sunday

The local team will travel to Weiser Sunday for a game with the Washington county boys. Weiser fared rather badly in their opening game with Payette Sunday, dropping the game 18 to 1; but no doubt have bolstered up their team this week. Other Idaho-Oregon league games next Sunday will be Emmett at Ontario; Payette at Boise and Caldwell at Vale.

Results Sunday

Payette served notice they must be reckoned with again this year when they thumped Weiser 13 to 1 Sunday on the Payette field. Ontario went to Caldwell and was on the short end of a 3 to 4 score. Emmett lost to Boise 7 to 3 in the other league game. Rambaud of Nyssa pitched part of the game for Emmett but the Boise hitters blasted him and Campbell for a total of 13 hits.

SCHOOL BALL NINE TOPS CONFERENCE

(Continued From Page One) Walker's bat and turned it into a double play. Harry Choat drew a hand from the fans when he made a sensational running catch of a hard hit ball in the 9th inning and robbed Ceniga of a triple or perhaps a home run. The catch also saved the game for Nyssa. Johnston played his usual steady game at short stop and Graham pitched one of his best games, allowing but five hits and walked none. He also contributed to the cause by striking out 9 Vale batters.

Nyssa found rough going for the first six innings while Carter of Vale was on the mound. The best the locals could do was push over one run, but Carter tired and moved in favor of Cammann and

the Nyssa batsmen began their barrage.

Batteries for Nyssa were Graham and Case; for Vale, Carter, Cammann and Walker.

GREETINGS: We just acquired a new daughter-in-law this week and feel like passing out cigars.

BUILD FHA WAY—

Which reminds us of a conversation we heard on the street the other day running something like this:

"Oh, we had the loveliest arrangement at our church society last week! Every woman contributed \$1.00, which she had earned herself by hard work."

"How did you get yours," the second lady asked.

"From my husband."

"I shouldn't call that hard work."

"You don't know my husband."

"BUILD FHA WAY—"

"I suppose," said the lady to the streetcar conductor, "if I pay the fare on my dog he will be treated the same as the other passengers and be allowed to occupy a seat."

"Of course, madame," the conductor replied politely. "He will be treated the same as other passengers and can occupy a seat, provided he does not put his feet on it"

"BUILD FHA WAY—"

We treat all our customers alike, and that is the very best we know. We don't mind rolling up our sleeves and helping you figure out your building problems . . . and there is no obligation to come in and ask.

"BUILD FHA WAY—"

A banquet is an affair where a speaker eats a lot of food he doesn't want, then proceeds to talk about something he doesn't understand, to a lot of people who don't want to hear him.

"BUILD FHA WAY—"

We have insulating materials which can be put in your home now and will make a big difference in comfort during the summer heat.

FAMOUS LAST WORDS:
A salesman was eloquent about the merits of a certain vacuum cleaner, but the Yorkshire woman wasn't impressed. She suggested that the talk less and show her what the machine could do.

He took off his coat, fitted up the cleaner, thrust his arm into the chimney of the open fireplace and brought out a big handful of soot, which he scattered over the parlor carpet. He then shoveled some ashes from the grate and sprinkled them over the rug, adding a big handful of soil from the garden. Then he smiled and rubbed his hands.

"Now," he said, "I'll show you what this vacuum cleaner can do. You'll be surprised, madam. Where's the electric switch?"

"Switch?" echoed the surprised woman. "We use gas."
