Mrs. Fred Powell Passes At Home Here Tuesday

Stroke Ends Life of Local Matron — Final Rites Friday.

One of Nyssa's well-loved aged women passed quietly away Tuesday noon when Mrs. Elizabeth Powell, widow of the late Fred Powell, passed away at her home. Mrs. Powell suffered a stroke last Thursday noon from which she never recovered.

Elizabeth Bradbury was born October 3, 1856 in Missouri and would have been 81 years of age at her next birthday. She left Missouri as a child when the family moved to Hebron, Indiana. Here she spent her girlhood and attended the local school. It was in Hebron that she became affiliated with the First Methodist church, an organization she was faithful to throughout her eventful life.

She was married on September 26, 1878 to Fred Powell, and the family made their home at Lafayette, Indiana for many years. Here their five children were born and it was not until 1901 that the family made another move. This time it was to Hammond, Indiana, and in 1909 the family made the longest move of their lives when they came to Nyssa.

Mr. Powell was engaged in the lively stable business for a time, and then when the popularity of the motor car made this business unprofitable, the family moved to a farm. Mr. Powell passed away on June 21st, 1934 and in later years Mrs. Powell has not taken an active part in affairs, being content to enjoy her home, her family and the many friends who delighted in calling upon her.

She is survived by two brothers, Warren Bradbury of Redonda Beach, California and a half brother, Gus Davison of West Liberty, Iowa. She also leaves five children, Mrs. M. F. Solomon of Calumet City, Illinois; H. F. Powell of Griffith, Indiana; E. W. Powell of Orlando, California; Eddie Powell and Mrs. Agnes Wilson, both of Nyssa. Mrs. Solomon and her husband have been in Nyssa for the past three months visiting her mother.

Funeral Friday

Funeral services have been announced for Friday, May 21 at 2:00 from the Community church, with Rev. White in charge. The Nyssa Funeral Home are making the arrangement and interment will be in the Nyssa cemetery.

Tracts priced at over \$500 will be sold either for cash or for not less than 30 per cent cash and the remainder spread over ten years.

All lands within the boundaries of irrigation or drainage districts will be sold subject to any valid assessments made by the districts since the county acquired the land. Owyhee Canyon Days Planned As Three Days of Enjoyment

The date for the Commercial Club's annual celebration and fun fest is drawing near and several committees are busy laying arrangements for the big affair to be held here June 4th, 5th and 6th.

A new type celebration will be held this year, and sponsors believe they will have an entertainment pleasing to young and old. One of the features of the show will be the appearance of Monte Young's carnival and rides who will be here every day of Owyhee Canyon Days with a wide variety of rides, side chews and other features. The Young carnival is one of the best, carrying an extra large ferris wheel, merry-go-round, loop-a-plane, tilt-a-whirl and other popular rides.

Dances will be held both nights and arrangements were made this week to get the Ross orchestra for the dances. They have been playing at Parma and are popular with dance followers.

Committees are busy lining up some free attractions to be held during the Owyhee Canyon days. Among these are said to be races, boxing, hog calling and husband calling contests, softball and other features.

Sunday is a day set aside for a trip to the Owyhee Dam, to give everyone an incentive to visit this wonderful feat of engineering which makes the Owyhee project possible. Parties will be taken through the dam and shown its working details. Celebrants may take their lunch and make a nice outing out of the affair, the committee plans.

TWO CAR ACCIDENTS OVER WEEK END

Two minor automobile accidents happened over the week end. The Leon Leavitt car and the driver of the Watkins Products car from Ontario collided near the L. D. S. Church Friday evening. One of the Leavitt twins received a cut on the forehead. On Saturday evening Kenneth McCall turned his new V8 over on this side of Parma. A passenger he had with him received a slight shoulder injury.

SELLS ACREAGE

C. B. Short has sold his acreage near town to L. E. Fry, newcomer here. The Toombs family who have been living there have moved to Nyssa.

Miss Eunice Farr is the new clerk at the Caldwell Drygoods Store.

Nyssa Loses To Ontario By 3-4

The locals booted the ball around enough Sunday to lose a close contest with Ontario, 3 to 4 although outitting the visitors and also having the advantage of Johnston's pitching, who retired 15 via the strikeout route. Costly errors at crucial points in the game pushed Nyssa from a top spot in the league standings to a tie with Boise and Emmett for second place honors. It was Ontario's first win of the season.

John Young hit the longest blow of the day when he hit a long triple, which went for a home run when the Ontario third sacker threw wild in an effort to catch Young at the plate. The long hit came in the 9th inning with no one on base. Callan of Ontario smacked out a triple for Ontario's longest hit.

Johnson pitched a nice game, allowing 7 hits and striking out 15 while Ault, the Ontario chucker, was touched for 8 safeties and struck out but two batters.

Play at Boise

Nyssa is to go to Boise this Sunday to meet up with the Mountaineers in an Idaho-Oregon league scrap. Boise was leading the league until they were toppled Sunday by Caldwell in a 7 to 6 game, and it is freely predicted that Nyssa will have to play air-tight ball if they expect to win from the hard hitting Boise outfit.

Other Games

Vale won their first game of the season Sunday when they upset Payette 7 to 5; Caldwell beat Boise 7 to 6 and Emmett won from Weiger 9 to 4. Rambaud of Nyssa pitched for Emmett and was touched for 13 hits but his teammates made even made hits and also played a better fielding game.

Children To Be Examined Tues.

Plans have been perfected by the Civic club to hold a clinic next Tuesday morning, May 25th, starting at 8:30 for all children of pre-school age who will enter school next year for the first time. Dr. Sarazin and Dr. Norcott will be present along with Mrs. Edna Farr, Nyssa county health nurse; and all mothers are invited to bring their children who are coming first graders to the clinic. Arrangements for the Civic club are being handled by a committee composed of Mrs. Ray Emmott and Mrs. Howard Larsen.

PULLEN OVERTURNS CAR NEAR LANGTON SERVICE FRIDAY

Doc Pullen had the misfortune to overturn his car Friday afternoon just north of Langton. Mr. Pullen who had picked up a pedestrian, noticed his passenger had failed to close the right hand door. He reached over to remedy this oversight and unconsciously turned the car to the right, causing it to roll over into the bar pit. Although upside down Mr. Pullen managed to extricate himself and to help his passenger out of the wreck. They found themselves miraculously uninjured but the car considerably damaged. Messrs. Archie Smith and Silas Bigelow pulled the car upon the road and Mr. Bigelow towed it to Ontario for repairs Saturday.

He is survived by seven children, Harry of Boise; Mrs. Hallie Hanby of McEwen, Oregon; Rock of Nyssa; Bert of Ellensburg, Wash.; Mrs. Ruth Glenn of Nyssa; Mrs. Wanda Holland of McEwen, Ore.; and Mrs. Flora Doyle of Hood River. Shelton of Ellensburg, Wash.; and Mrs. Frank Bowman of Richland, Oregon.

Senior Actors Perform Friday

The seniors of the local high school will present their annual class play Friday evening, May 21st in the high school gym. They have chosen the play entitled, "Prize Pigs" as their play, which is said to be a highly amusing comedy.

The play revolves around the action created when a practical joker sends the Conley family three pigs, supposed to be their rich aunt's "most valuable possessions." Complications pile up, with many amusing situations until finally matters are cleared up to the satisfaction of everyone.

Those taking part in the play include Evelyn Haworth, Mary Corn, Jack Brodie, Flora Mae Wimp, Doris Klingback, Hinemoa Cloninger, Leland Morse Paul Johnston, Lloyd Wilson, Virginia Miller and Isabelle Sarazin.

Word was received here Wednesday by Rock Shelton that his father, Jasper N. Shelton, 70, had passed away suddenly the same morning at a Pendleton hospital. No word was available as to immediate cause of death, but he had been in failing health for some time. Funeral services will likely be held Sunday afternoon from the Methodist church, with Rev. Floyd White in charge of the services. Arrangements are being made by the Nyssa Funeral Home.

Shelton of Ellensburg, Wash.; and Mrs. Frank Bowman of Richland, Oregon.

Civic Club Has Flower Exhibit

The annual spring flower exhibit was one of the features of the Civic club meeting Wednesday afternoon. The number of exhibits were limited due to the heavy rain in the morning, but those on exhibit were very attractive. The exhibit was in charge of Mrs. Frank Morgan.

An interesting program was given, consisting of two violin numbers by Mrs. Walter Rosebraugh, accompanied by Mrs. John Young; two duets by Mrs. C. L. McCoy and Mrs. John Young, accompanied by Mrs. W. C. Jackson, followed by current events. The program chairman was Mrs. Wm. Schreman. The year books were distributed after which refreshments were served under the direction of Mrs. H. R. Quinby. The ladies then paid a visit to the gardens of Mesdames E. C. Wilson, John Young, E. D. Norcott and J. J. Sarazin.

The next meeting was announced for June at the country home of Mrs. C. C. Cotton.

Spring Rain Brings Relief

A welcome rain that pattered down most of Tuesday night brought relief from dust, and was a boon to newly seeded crops. The rain started shortly after eight o'clock Tuesday evening and did not clear until around six o'clock Wednesday morning. It soaked into the ground a distance in excess of four inches, settled the dust, cleared the atmosphere and brought smiles of relief to everyone. The government station recorded a fall of .85 of an inch at Nyssa and 1.52 at the Owyhee dam.

POND HOME IN BIG BEND BURNS

Sunday morning between 10:30 and 11 a big black smoke attracted neighbors to the home of Cecil Pond. The first to arrive couldn't get in the house as it was already a mass of flames. Everything burned to the ground, house, garage, grainery and chicken house. A Maytag washing machine was found near the house and was taken to safety. Their Model A Ford was driven from a flaming garage and saved.

The Pond family had left early Sunday morning with relatives to picnic at the Owyhee Dam and did not learn of their home burning until they returned home in the evening.

It is uncertain what caused this fire as they had only a small fire in the morning and it was out two hours before they left the house. At different times in the past five other houses on this same hillside have been burned to the ground.

Bible School Starts June 1

A committee composed of members from three different churches in Nyssa met at the home of Mrs. C. A. Abbott Tuesday evening to plan for the Bible School which starts Tuesday, June 1st. All the churches are uniting to make this the best and biggest school ever put on in this community.

Rev. and Mrs. Skidmore of Caldwell, trained workers, have been hired to supervise the school and assist the local workers in making all the plans. Rev. Skidmore is efficient in boys hand work and his wife is his assistant as well as a trained helper in all parts of the school work.

The school this year will be held in the school house, which will allow plenty of room for all grades to do good work.

Mrs. Stanley Moore was elected general superintendent and Mrs. Dave Beers primary superintendent. Mrs. John Poage treasurer, and Miss June Marie Wilson, pianist.

Fosters Return Thursday From California Trip

Mr. and Mrs. W. W. Foster and nephew Bert Foster returned from California last Thursday evening. They drove down thru Alturas on Friday and to San Rafael the next night. Here they spent Mother's Sunday with a nephew and cousin Willard Harper and wife. Sunday the Harpers and Fosters crossed the bay by ferry saw the two new bridges and had a wonderful view of San Francisco. They drove down the peninsula and visited with Rev. and Mrs. Hershey, former pastors here. They sent their best regards to all Nyssa friends.

They were at Sebastopol for three days getting package bees. Wednesday night they drove thru Sacramento, Reno and McDermitt, thence to Arook, where part of the bees were left with Howard Foster. California is green and beautiful with a profusion of wild flowers at this time of the year. It was an enjoyable trip. The Fosters were celebrating their silver wedding anniversary. It being twenty-five years this month since they came to Nyssa.

A meeting of the advisory board of the county Townsend clubs met in Vale Friday evening with Mr. Glenn C. Wade, district organizer, present. Those attending were Mr. and Mrs. A. V. Pruyne, Mrs. S. B. Davis, Mrs. C. Klinkenberg, Marvin Penrod and Al Green.

College of Idaho Year Book Released

College of Idaho, Caldwell—The College of Idaho yearbook, "The Trail" was released to the students Tuesday by Miss Margaret Pinkerton, Nyssa, Oregon, editor, and Mr. Fred Platt, Parma, business manager. The cover of the book is white with a gray overtone and a blue border carrying the name of the 1937 Trail. The blue border is in harmony with the motif of the book.

The opening sections of the annual differs from previous years in that it includes 10 pages of campus scenes and life around the college. The division pages are full page pictures of tinted Idaho scenes.

The publication is dedicated to the memory of Dr. William Judson Boone, who was president of the College of Idaho for 45 years.

High School Has Good Ball Season

The Nyssa high school ball club laid their suits away this week after one of the most successful seasons in several years. The team fittingly closed their season Tuesday by a 13 to 1 victory over Huntington.

The game Tuesday was pitched by Bob Wilson, who held the Huntington batters to two lone hits while his team mates were credited with 9 safe hits and took advantage of Huntington errors to score 13 runs.

Loss Championship

While Nyssa finished in a tie with Ontario for county division conference honors, the local team lost the play-off championship game Thursday night by a 8 to 4 count. The game was played under the lights at Ontario. Nyssa was credited with 7 hits as against 9 for Ontario; but the unfamiliar lights were blamed for some blunders which allowed Ontario to cross the plate with enough runs to win, 8 to 4. Wilson also pitched this game, with Case doing the receiving.

Good Record

The team had a good record this year, playing 11 high school games and winning 8 of them for a percentage of .727. Graham pitched 8 of the games and won 6 of them for a percentage of .750 while Wilson pitched three games and won two of them for a percentage of .667. During the season, Graham hit two home runs, Mausing one and Ray one.

Prospects for next year are excellent with only three members of the team graduating. The three senior members are Paul Johnston (Continued on last page)

Evelyn Haworth and Lloyd Wilson win High Scholastic Honors.

Graduation activities will occupy the major part of the coming week, with the senior play scheduled for Friday night; Baccalaureate sermon Sunday night and Commencement to be held Thursday night. All graduating affairs will be held in the high school gymnasium.

High honors among the students of the graduating class were won this year by Miss Evelyn Haworth, valedictorian of this year class and by Lloyd Wilson, salutatorian honors. The two students were practically tied for scholastic honors; both receiving practically a straight A grade all through high school. They will give the two principal addresses at Commencement Thursday.

The third principal address will be given by Robert Jackson, president of the 1937 senior class. Class history will be given by Isabelle Sarazin; prophecy by Nellie Jean Schweizer and will by Jack Farmer.

The musical part of Commencement will include vocal solos by Mrs. C. L. McCoy and violin numbers by Mrs. Walter Rosebraugh; besides numbers by the high school orchestra.

McCoy Present Diplomas

C. L. McCoy, president of the school board will present diplomas to the 34 graduating seniors. He will also announce the winner of the American Legion award given annually to an outstanding boy and girl of the graduating class, and make the presentation.

Supt. Leo Hollenberg will announce the winners and make presentations to the outstanding player in each of the three major athletic sports and also to the outstanding all-round athlete of the graduating class. He will also present the Mrs. Haworth award to the outstanding girl student in the graduating class. A scholarship to Oregon State College will be presented to Paul Johnston during the course of the Commencement program.

Rural Schools Plan Exercises

Five rural schools will hold graduation exercises at the Valley View school on Wednesday evening, May 26th, at which time 25 students of the eighth grade will receive their diplomas. Teachers of the five schools are co-operating in arranging a program starting at 8 o'clock, to fittingly honor those who have finished the first goal leading toward a well-rounded education.

Students who will graduate from Arcadia, which is taught by Miss Thelma Hickey, include Ethel Mull, Aleda Duhn, Grace Jones, Francis Hall, Keith Orris, Jerome Merostica and Charles Englesby.

The Cairo school, taught by Miss Opal Ivers, has three graduates, in the person of Jack D. Peters, Mary Fairman and Margaret Magnuson. White Settlement also has three graduates, they being Lorraine Carson, Nellie Bertram and Catherine Van Egmond. Vera Weaver is the teacher at White Settlement.

Valley View, taught by Miss Ethel Cloud lists their graduates as Oscar Bratton, Robert Alexander, Bethel Brown, Paul Saito, Homer Brewer, Glenn Down and Paul Davis.

Students to graduate from Lincoln, taught by Walter Marshall, include Ivan Pennington, Blanche Bliss, Opal Redsell, Thelma Dupre and Vvrett Chamberlain.
