Rough Dry Costs Only 70c for 10 lbs. and 7c for each additional pound

Yes, doctors have the right idea. "Don't over exert yourself," they urge women, "and keep your youth and health." Which is just the same as saying "don't do the family washing!" For slaving over the washtub, rubbing, rinsing and hanging up clothes certainly does rob you of your strength and your looks—leaves you an easy prey to colds and grippe and others ills. Better turn over a new leaf before it's too late—

by using our wonderful ROUGH DRY. We'll call for your bundle, take all the fuss and bother and work off your hands—and actually save money for you. Because ROUGH DRY costs less than home washing. Which is why you will want to go straight to the phone and call us. When your bundle is returned you will find everything properly washed, starched as needed and all flat pieces ironed.
